IT Summer School at INFOSYS

June 12 – June 30

experience,
adventure,
education,
for life.

ESTIMATED COST

About $2,500

Exact cost will be posted on the USF Education Abroad website.

PROGRAM OVERVIEW

This intensive IT Summer School will be conducted in Mysore, India at the training and education facilities of one of the world's IT industry giants: INFOSYS. INFOSYS is the second largest IT company in India with a global footprint and over 100,000 employees worldwide. Students will stay at the highly-secure INFOSYS Mysore campus that has excellent academic and recreation facilities. INFOSYS instructors will be teaching the Software Engineering classes, and students will also experience visits to New Delhi, the Taj Mahal and a wildlife sanctuary.

All applications are due February 15th
