## INFORMATION FOR RESIDENCY CLASSIFICATION

If you are claiming Florida residency for tuition purposes, please fill out this form completely. A Florida resident for tuition purposes is a person who has (or whose parent or legal guardian has) established and maintained legal residency in Florida for at least twelve months. You must be a U.S. citizen, permanent resident alien (hold a green card), or legal alien granted indefinite stay by the Immigration and Naturalization Service. Other persons not meeting the twelve-month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Board of Regents.

### Non-Florida Residents

I understand that I do not qualify as a Florida resident for tuition purposes for the term for which this application is submitted and that if I should qualify for some future term, it will be necessary for me to file the required documentation prior to the beginning of the term to be considered for Florida residency classification.
