Best Values in Public Colleges
(Kiplinger’s Personal Finance 2015)
Welcome to the University of South Florida!

One of Florida’s oldest and largest universities and one of the nation’s most prestigious universities. USF serves as one of only 81 public four-year institutions of the Highest Research Activity.

Tampa offers a plethora of things to do both on and off of USF’s gorgeous campus. Jump in your car for five minutes and find yourself at the entrance to the Busch Gardens theme park, or drive a little further and find yourself knee-deep in the sand of one of Florida’s multiple award-winning beaches.

Without our extraordinary students, world-renowned faculty and dedicated staff, USF would cease to be the outstanding university it is today; we invite you to become a part of the herd.

“As an engaged, global university dedicated to excellence in education, research, service and outreach, USF has made a commitment to comprehensive internationalization by supporting learning experiences, such as INTO USF, that create opportunities for the exchange of people and ideas, promoting not only academic achievement but also intercultural competence and appreciation.”

Judy Genshaft, PhD
President, University of South Florida
2016 APLU Malone International Leadership Distinction
Only 1 US university ranked higher than USF is more affordable (U.S. News & World Report 2016)

#1
Nationally in student success among 1,100 schools (Eduventures Student Success Ratings 2016)
Busch Gardens offers thrills 365 days a year.

Tampa Bay is the 18th largest metropolitan area with a population over 4 million.

Tampa's average temperature with 244 days of sunshine yearly.

28°C
Tampa, Florida

Step just outside of USF’s borders and find yourself immersed in Tampa Bay’s vibrant culture and rich history.

Metropolitan City
Tampa has so much to offer. Explore a museum, theater or art gallery, attend a sporting event, ride a roller coaster, swim with dolphins, visit downtown or go shopping.

Breathtaking Beaches
Tampa Bay offers several award-winning beaches including Siesta Key, Fort De Soto State Park and Caledesi Island State Park. Florida has over 1,300 km of beaches.

Convenient Location
USF is 10 miles northeast of downtown Tampa on Florida’s beautiful west coast. Drive to Busch Gardens theme park in five minutes or to Orlando in an hour, and Miami in four. Want to explore more? Fly to New York in two hours and Los Angeles in about five.

Professional Sports Teams in Tampa Bay
- Tampa Bay Buccaneers (National Football League - NFL)
- Tampa Bay Rays (Major League Baseball - MLB)
- Tampa Bay Lightning (National Hockey League - NHL)
- Tampa Bay Storm (Arena Football League - AFL)
- Tampa Bay Rowdies (Semi-Professional Soccer)
- New York Yankees Spring Training Home (Major League Baseball - MLB)

Things to Do in Tampa Bay
- Adventure Island - waterpark
- Amalie Arena - concerts and hockey
- Big Cat Rescue - wild animals
- Busch Gardens - roller coasters
- The Florida Aquarium
- Grand Prix of St. Pete - Indy Car
- Lowry Park Zoo
- Museum of Science and Industry
- Salvador Dali Museum
- Straz Center for the Performing Arts - theater
- Tampa Bay History Center
- Tampa Museum of Art
- Ybor City - historic district with shopping

Clearwater Beach among Top 25 Beaches in the US (TripAdvisor 2016)

Cost of Living Minus Rent (American Institute for Economic Research 2016)
USF At-a-Glance

**Founded:** 1956
**Enrollment:** 48,793
**International Students:** 4,600+
**Countries Represented:** 130+
**Bachelor’s Degrees:** 86
**Master’s/PhD Degrees:** 154
**Campus Size:** 1,657 acres
**Research:** $488M+
**Instructional Faculty and Adjuncts:** 3,434

*Data current as of 2015-16 academic year

#3
Provider of banking and finance employees to top companies like Facebook, Google, Amazon, etc
*(Times Higher Education 2016)*
International Students at USF

Home to more than 48,500 students, USF is one of the top universities in the nation. International students from over 130 countries make up 10% of the total student population.

Prestigious Academics
No matter what course of study you choose at USF, you will experience:
- Intense academic discovery with world-class scholars and faculty
- Access to extensive resources, such as state-of-the-art labs
- Hands-on application of classroom knowledge in real-world settings
- Experiential learning opportunities through residential communities, 600 student organizations, competitive athletic teams and vibrant fine and performing arts programs

Live and Learn in the City
Attend a major public university and live in a metropolitan location full of opportunities and activities. You have access to rich professional resources as well as numerous attractions and the natural beauty of the area.
- USF has built internship partnerships with a number of Tampa businesses and organizations, including Tampa General Hospital, PricewaterhouseCoopers and Coca-Cola Refreshments
- The Tampa Bay area offers several award-winning beaches and 150 city parks

Research Driven
As one of the largest public universities in the nation, USF is a high-impact, global university focused on student success and groundbreaking research. USF offers a dynamic learning environment that inspires innovation, creativity and collaboration. More than 2,000 distinguished scholars, researchers and expert teachers make up the USF faculty and are focused on creating local, national and global solutions to society’s most difficult problems. From the undergraduate level to doctoral status, students across numerous programs receive hands-on learning and access to cutting-edge research labs.

Office of International Services
As part of USF World, the Office of International Services provides support and advising for the 4,000 international students studying at USF each year. OIS promotes cross-cultural awareness and understanding; thus, will help you comply with federal immigration and university policies and promotes cross-cultural awareness and understanding. Services include:
- Immigration
- Visa matters
- Cultural adjustment
- Financial and sponsorship issues
- Health insurance
- Academic concerns
- Dependent issues
- Personal matters

Key University Resources

USF Library

1 These USF academic degree programs have additional competitive entry requirements for the bachelor's degrees beyond the requirements established for progression from the Pathway to USF undergraduate degree-seeking status. For exact entry requirements, visit the university catalog: ugs.usf.edu/catalog.

2 Biology is available at the bachelor's level but is listed as a Cell and Molecular Biology, Environmental Biology, Environmental Microbiology, Integrative Animal Biology, Marine Biology, and Microbiology.

3 These USF academic degree programs are not open for international students. Only US citizens or students with permanent residency can apply for them.
Muma College of Business
www.usf.edu/business

The USF Muma College of Business boasts as one of the nation’s best accounting schools, a top-ranked entrepreneurship center, a nationally ranked MBA program, and world-class research faculty. Our undergraduate program remains on Businessweek’s best business schools list. The COB provides high-quality programs that link theory and practice to prepare students for leading positions in business and society.

College of Education
www.usf.edu/education

The USF College of Education is committed to preparing the next generation of educators, scholars and educational leaders for primary and secondary education as well as higher education. The ninth largest public College of Education in the nation, the college has consistently graduated either the largest or second largest number of educators in the state of Florida throughout the last 10 years.

College of Engineering
www.usf.edu/engineering

A U.S. News & World Report top 100 best engineering school, USF’s College of Engineering profoundly shapes and impacts lives through the steadfast pursuit of world-class engineering research, education and innovation. From developing sources of clean energy and drinking water to enhancing the quality of life for people with disabilities, USF engineering researchers seek to make the world a better place.

College of Arts and Sciences
cas.usf.edu

The College of Arts and Sciences—the largest college at USF—is home to more than 120 funded research faculty. With over two dozen research institutes and centers, the College of Arts and Sciences is engaged in innovative, interdisciplinary research that has the potential to improve society and develop the next generation of global leaders.
Top-ranked Degree Programs

Through all of its academic colleges, USF offers you various programs designed for your outstanding success.

Choose Your Study Abroad Program
Full semester and summer exchange programs will allow you to fully immerse yourself in the culture of the host nation and attend classes at partner institutes, colleges or universities with other foreign students as well as those local to the region.

Business College Accreditation
The college is dually accredited by the Association for the Advancement of Collegiate Schools of Business. Less than 5% of the world’s business schools (672 business schools in 44 countries and territories) are accredited by AACSB. USF is one of just 178 institutions worldwide certified for quality in both overall business and accounting programs.

Choose Your Business Research Area
At Muma College of Business, you will find a whole variety of research areas including accounting information systems, advertising and communications, analytics, branding, business intelligence, design science, finance, innovation, investments, marketing, real estate, software engineering, venture formation, etc.

Learn from National Leaders
Two faculty members from the USF College of Engineering have been recognized among the “Top 10 Transportation Thought Leaders in Academia” by the Eno Center for Transportation, a Washington, DC-based nonprofit, nonpartisan organization. The featured academics work in disciplines that vary greatly from computer science, information systems and engineering to public policy, planning, business and design, using their resources and expertise to help solve real-world transportation challenges.

Research Experiences for Undergraduates
The National Science Foundation supports active research participation by undergraduate engineering and science students during the summer. REUs provide travel, lodging and stipends to involve you in meaningful ways in ongoing research programs. REUs occur during the summer and can be located in the US or an international location.

Peace Corps Master’s International Program for Engineers
Open to MS and PhD students, this highly ranked program will allow you to combine your graduate degree with service and research while serving in the Peace Corps as an engineer. The program has a strong focus on sustainability and humanitarian engineering. You will explore and innovate at the interface of engineering design and technology with people, society and health.

Be a Part of Innovative Educational Research
The College of Education has approximately 182 Faculty Areas of Expertise. We aim to promote educational research and innovation by providing information and services that will lead to enhancements in the creation, dissemination and utilization of new knowledge to improve teaching, learning, leadership and educational services.

“Welcome to Bulls country! INTO USF offers students a phenomenal range of academic programs and outstanding support services. No matter what your goals are, INTO USF is here to help you succeed. We look forward to welcoming you to INTO USF.”

Glen Besterfield, PhD
AVP USF International Admissions & Global Partnerships
Center Director, INTO University of South Florida

70+ Teaching staff

62 Countries represented at INTO USF in Fall 2016

100+ events during Week of Welcome offer friendships, fun and learning
INTO University of South Florida

We offer programs for international students to ease the transition into a new country while helping you improve your English skills and earn a US degree.

Welcome to INTO USF
At INTO USF, you’ll join a supportive community that is committed to helping international students succeed in their first year and get involved in American university life. Enrolled in an INTO USF program, you will enjoy all the benefits and experiences of campus life.

By living and learning on USF’s Tampa campus, you will develop friendships with American and international students and have access to all academic, social and cultural resources and activities.

INTO USF Facilities
Successful students invest in their education and INTO USF provides the best learning experience in return. Highly qualified university instructors, facilities equipped with the latest technology, small classes, personalized support services, social activities and a welcoming university community all contribute to your rich campus experience.

The INTO USF Advantage
Since welcoming our first cohort in August 2010, INTO USF has helped nearly 4,000 international students from more than 60 countries improve their academic and English language skills.

While on campus, you can enjoy full access to all university resources, services and facilities. You will receive personalized TOEFL, IELTS, GRE and GMAT test preparation and earn academic credits that apply toward USF degree programs.

At INTO USF you will be taught the professional and personal skills needed to adapt to the educational, social and cultural norms of an American university.

Student Support Team
The Student Support team will help your transition to USF. Support services for students include:
- Assistance with settling into student life in Tampa
- Providing a complete orientation prior to classes starting
- Assist with arrival, housing, dining and medical concerns
- 24-hour emergency phone
- Your first point of contact for any non-academic issues
- Coordinate activities and interest groups

Academic Resources
INTO USF offers ongoing academic resources to help ensure your continuous success. Resources include:
- Academic Advising
- Computer Labs
- Student Interest Groups
- Test Preparation
- Tutoring Center

Undergraduate Admissions

Undergraduate students earn a bachelor’s degree, which is typically a four-year program, and can choose from more than 86 academic programs to study. USF offers you three different paths to earn a bachelor’s degree: direct entry, Pathway programs and English language programs.

Direct Entry
USF offers direct admission to international students who have completed a high school diploma and have strong English language comprehension. If you do not meet these requirements, we encourage you to apply to our Pathway or English Language programs. Full entry requirements are available on page 17.

Pathway Programs
We have designed our International Year One Undergraduate Pathway programs to help you move successfully through the first year of your undergraduate degree at USF. In addition, we provide you with extra support in and out of the classroom. Learn more about Pathway programs on pages 18-25.

English Language Program
You can choose from a range of English language programs to help meet your academic, professional and personal goals. Our English programs are designed to help you improve your English and prepare you to begin your university studies. Once you have completed the required language level you will be able to start your Pathway program or direct degree. Learn more about English language programs on pages 52-55.

Authorization Release
No matter what your admission path, if a family member or educational counselor is completing the application on your behalf and you would like for USF to communicate with them regarding your application, please complete the authorization form at the following link: http://www.usf.edu/admissions/documents/third-party.pdf and submit to international@usf.edu.

Sample Program Length

The chart below shows the approximate length of time our programs take to complete. In most cases, international students earn their degree in the same amount of time as domestic students.

Direct Entry

With one of the lowest tuition rates in the country, generous scholarships and plenty of student employment opportunities, USF is an outstanding value. Plus, access to career-enhancing internships in Tampa can lead to a greater return on investment after graduation and make USF a smart investment in your future.

USF offers more than 86 undergraduate degree programs designed to help you combine your passion, strengths and skills into a career that will bring you both success and satisfaction.

If you’re ready to become a Bull, take the next step and begin your college application to USF.

Applying for admission is easy. You can even apply online. Once we have received your application, application fee and all required admission credentials, your file will be reviewed and you will receive notification of our admission decision.

How to Apply

- Review direct entry requirements (right column) to be sure you meet academic and English language requirements.
- Apply online or download the application and fill out all required fields: usf.edu/apply
- Upload transcripts from all secondary and post-secondary institutions attended.
- Test scores must be received directly from the official testing source and verified.
- Documents issued in languages other than English must be accompanied by a certified English translation.
- Submit a copy of your passport.

Get Help with Your Application

If you have questions regarding admission requirements or the application process, you may contact our dedicated Undergraduate Admissions staff at international@usf.edu or +1 813 974 8884. Visit our Application Process page for step-by-step application instructions on page 6B.

Credit-by-Exam

USF recognizes the achievement of AP, AS & A Levels, IB, German Abitur, CAPE, CLEP, DANTES, Excelsior and GAC scholars.

You may be eligible for advanced academic standing and scholarships, and can receive transfer credit for the exams, courses and subjects taken. ugs.usf.edu/credit-by-exam/

Law and Medicine

In the US, law and medicine are not offered as undergraduate majors. You must first complete a bachelor’s degree in another field before applying to law or medical school. There are no required majors for students planning to attend law or medical school, although some colleges offer “pre-law” (political science) or “pre-medicine” (biomedical science) programs. USF offers both pre-law and pre-medicine advising programs.

Average GPA for students starting in Fall 2015

4.04 GPA

Key Program Facts

Start Dates*
- Fall: August 21, 2017
- Spring: January 8, 2018
- Summer: May 14, 2018
* Students are required to arrive earlier for mandatory Orientation.

Test Score Codes
- SAT: 5828
- ACT: 0761
- TOEFL: 5828
- IELTS: Direct
- PTEA: Direct

Admission Requirements

First-year Students*
- High school diploma with a minimum 3.0 out of 4.0 GPA equivalency (GPA for secondary study records will be calculated by the USF Office of International Admissions)
- Minimum post-secondary GPA of 2.5 (If applicable: calculated by the USF Office of International Admissions)
- Minimum post-secondary GPA of 2.5
- SAT minimum score of 1060 (scores of rSAT Math=500, rSAT EBRW=500) or ACT scores of ACT Reading=19, ACT Mathematics=19, ACT English/Writing=18
- Direct admission to USF is competitive and meeting the minimum entry requirements does not guarantee acceptance.

Transfer Students (less than 60 credits)
- High school diploma with a minimum 3.0 out of 4.0 GPA equivalency (GPA for secondary study records will be calculated by the USF Office of International Admissions)
- Minimum post-secondary GPA of 2.5
- SAT minimum score of 1060 (scores of rSAT Math=500, rSAT EBRW=500) or ACT scores of ACT Reading=19, ACT Mathematics=19, ACT English/Writing=18
- Successful completion of 67% of all post-secondary credit hours attempted

Transfer Students (60 or more credits)
- Minimum post-secondary GPA of 2.5 out of 4.0 (certain selective majors may require a higher GPA)
- Successful completion of 67% of all post-secondary credit hours attempted and the minimum English language entry requirements below must also be met

2nd Bachelor’s Degree
- 4-year undergraduate degree with a 2.5 GPA out of 4.0 or equivalent. If the undergraduate degree is not US university, then the minimum English language entry requirements below must also be met

English Language Entry Requirement
- TOEFL IBT of 79+ or IELTS 6.5+ or PTEA 53+ taken within last 2 years
- Completion of INTO USF Academic English Level 5
- Completion of the equivalent of USF English Composition I and II (ENC 1101 and 1102)

Housing

USF students are strongly encouraged to live on campus to build a solid foundation that will support a lifetime of achievement.

usf.edu/international
Pathway Programs

Understand the Pathway Program
Our International Year One Undergraduate Pathway programs combine intensive English language study, academic skills development and academic course work in a customized program designed to move you successfully through the first semester or first year of your degree program.

Program Benefits
As a Pathway program student, you will receive the highest level of support during your transition which makes the program an ideal choice for students who are driven to achieve high academic goals. Other benefits include:

- Guaranteed progression to the second semester or second year of a USF undergraduate program (subject to successful completion of a Pathway program)
- Integration with domestic and international students
- Full access to all university facilities and amenities
- All Undergraduate Pathway courses are USF credit-earning courses
- Classrooms and accommodations located in the heart of campus
- Highest levels of personal care and support and individual supplemental tutoring for any subject
- Highly trained and experienced instructors
- Academic advising throughout the program

Program Structure
The academic courses included in the Undergraduate Pathway programs are chosen to fulfill undergraduate core courses in math, science, general education, writing and other academic subjects required of all US and international students. From the first day of classes, you will study alongside USF domestic students.

Summer Courses
Upon meeting Pathway progression requirements after the spring semester, you will have the option to enroll in summer courses in order to strengthen your academic background, or to simply accelerate time to graduation.

Engineering and Computer Science/Engineering Pathways Program
Due to the course requirements in computing and engineering, only a portion of the credits earned in the Pathway program are applicable toward the degree program. As an Undergraduate Pathway student you are encouraged to enroll in the summer semester to extend your access to USF academic support services and maximize your language and academic skills before enrolling in future classes.

Transfer Eligibility
If you have completed more than a year of full-time university-level study prior to applying to INTO USF, you are ineligible for INTO USF Pathway programs. In that case, you may be eligible for direct admission to a University of South Florida degree program as a transfer student.

Credit amounts vary by educational system, so each student is considered on a case-by-case basis. Students are encouraged to apply for INTO USF Pathway programs, then INTO USF will determine if the number of university-level credits the student is currently enrolled in has exceeded the INTO Pathway limit of 30 credit hours. If the number of credits exceeds the limit, the student will be informed of their potential eligibility for direct admission to the university and will be offered guidance through this process.

Key Program Facts

Start Dates
- Fall: August 15, 2017
- Spring: January 2, 2018
- Summer: May 8, 2018

Entry Requirements: 3-Semester Pathway
- High School diploma equivalency
- 2.5 out of 4.0 GPA
- TOEFL iBT 50+ (10 subscores) or
- IELTS 5.0+ (4.5 subscores) or
- PTEA 41+
- Password Test Level 5

Entry Requirements: 2-Semester Pathway
- High School diploma equivalency
- 2.5 out of 4.0 GPA
- TOEFL iBT 60-78 or
- IELTS 5.5-6.0 or
- PTEA 44-52
- Completion of AE Level 4
- Password Test Level 6

Entry Requirements: 1-Semester Pathway
- High School diploma equivalency
- 2.5 out of 4.0 GPA
- TOEFL iBT 79+ or
- IELTS 6.5+ or
- PTEA 53+

Mathematics Testing
All undergraduate students will be tested for mathematics placement during Orientation. Pathway classes may differ slightly from listings if students do not score the minimum needed for each class. Placement in math courses is also determined by major.

Progression Requirements
- Equivalent of 2.5 out of 4.0 USF GPA
- No "U" grade in a class
- No Incomplete or Withdraw grades
- Grade of "C" or better in all classes
- Student is fully admitted to USF provided successful completion of provisional admission criteria at the end of the Pathway
- SAT or ACT on record, but no minimum scores required

Housing Requirement
All Undergraduate Pathway students are required to live in on-campus university housing and purchase a meal plan during their first year.

Length of Pathway Programs

3-Semester Pathway Program
Our new 3-Semester Pathway program is designed specially for international students who want to start earning credits toward their bachelor’s degree at a US university while improving their English skills.

Available in the fall and spring semesters, this program offers more focus on English language preparation than our other Pathway programs. Students are able to begin their academic studies with domestic and other international students sooner than what our traditional Academic English plus Pathway programs had allowed.

2-Semester Pathway Program
Our 2-Semester Pathway program provides an excellent balance of academic and English language preparation. This is ideal for most students and has start dates available in fall, spring and summer semesters.

1-Semester Pathway Program
This accelerated option is designed for students who have good academic grades and need little or no English preparation. Students can begin this program during the fall, spring and summer semesters.

Sample Course Schedule
The chart below is a sample course schedule for the first semester of the 3-Semester Pathway program. Additional course samples for subsequent semesters are on the following pages. Courses in bold earn degree credits. Regardless of your preferred Pathway program, you will receive unparalleled support and our promise that as a successful Pathway student, you will progress to your degree program once you've met our progression requirements. Those requirements are explained in each academic grid on the following pages.

### Notes

- Because of the intense nature of Summer classes, students will be enrolled in fewer credit hours for the Summer semester.
- 1 Offered for students beginning in Fall or Spring.
- 2 Offered for students beginning in Fall or Summer.
- * Students can choose from the following list of electives:  
  - ARC 2211 Introduction to Architecture  
  - ARH 2501 History of Visual Arts I  
  - DIN 2100 Introduction to Design  
  - FIL 2001 Introduction to Film Studies  
  - THE 2252 Great Performances on Film

These sample courses have no pre-requisites, major restrictions, upper-level standing or permit requirement; however, enrollment may be limited and courses may not be offered every semester. These courses are generally delivered through the INTO USF Center and are for Pathway students only.
“INTO USF programs considerably improved my English language proficiency due to comprehensive study techniques and extensive extracurricular activities. I’m thankful for INTO support throughout my academic path.”

Lizhou Li, China

Spring 2015
Arrived at USF for Academic English Program

Fall 2015
Started Undergraduate Pathway in Natural and Health Sciences

Spring 2019
Expected Graduation with Bachelor of Science in Cell and Molecular Biology
USF offers post-baccalaureate programs for advanced study in professional and research disciplines including 104 master’s and specialists programs, 48 doctoral programs and several dual degree programs. USF offers you three different paths to earn a master’s degree: direct entry, Pathway programs and English language programs.

Graduate Research at USF
USF faculty work closely with the Office of Research and Innovation and offer unique research opportunities for graduate students. In professional programs, the faculty often partner with organizations in their fields to provide internships and class projects with real-world relevance.

Direct Entry
If you have completed an undergraduate degree and have strong English language comprehension, USF direct entry is right for you. If you do not meet these requirements, we encourage you to apply to our Pathway or English Language programs. Full entry requirements are available on page 27.

Pathway Programs
Our Pathway programs are designed to provide you with a direct path to various graduate degrees at USF. These programs give you the academic foundation, essential language skills and GMAT/GRE test preparation to move on to a master’s degree program. Learn more about Pathway programs on pages 28-49.

English Language Program
Our English programs are designed to help you improve your English and prepare you to begin your university studies. Classroom instruction is combined with opportunities to engage with other domestic and international students outside the classroom. Once you have completed the required language level, you will be able to start your Pathway program or direct degree. Learn more about English language programs on pages 52-55.

Authorization Release
If a family member or educational counselor is completing the application on your behalf and you would like for USF to communicate with them regarding your application, please complete the authorization form at the following link: http://www.usf.edu/admissions/documents/third-party.pdf and submit to international@usf.edu
Direct Entry

With more than 25 degree programs ranked in the Top 100 in the country, USF is a smart investment in your future. USF offers one of the lowest tuition rates in the country, generous scholarships, assistantships and grants, and plenty of student employment opportunities, making it an outstanding value. Plus, access to career-enhancing internships in Tampa can lead to a greater return on investment after graduation.

At USF you can choose from over 150 graduate degree programs designed to help you combine your passion, strengths and skills into a career that will bring you both success and satisfaction.

If you’re ready to become a Bull, take the next step and start your application to USF.

Applying for admission is easy. You can even apply online. Once we have received your application, application fee and all required admission credentials, your file will be reviewed and you will receive notification of our admission decision.

How to Apply

• Review direct entry requirements (right column) to be sure you meet academic and English language requirements.
• Apply online or download the application and fill out all required fields: www.usf.edu/apply
• Pay your application fees.
• Upload transcripts from all secondary and post-secondary institutions attended.
• Test scores must be received directly from the official testing source and verified.
• Documents issued in languages other than English must be accompanied by a certified English translation.
• Submit a copy of your passport.

Get Help with Your Application

If you have questions regarding admission requirements or the application process, you may contact our dedicated Graduate Admissions staff at international@usf.edu or +1 813 974 8884. Visit our Application Process page for step-by-step application instructions on page 68.

• #101 Computer Science
• #103 Social Work
• #113 English
• #114 Fine Arts
• #124 Mechanical Engineering
• #130 Public Affairs
• #139 Biological Sciences
• #148 Chemistry

As ranked by U.S. News & World Report 2017

BOLD = Designated STEM degree by the US Department of Homeland Security

Key Program Facts

Start Dates
• Fall: August 21, 2017
• Spring: January 8, 2018
• Summer: May 14, 2018
* Students are required to arrive earlier for mandatory Orientation.

Test Score Codes
• GRE: 5828
• GMAT: Direct
• TOEFL: 5828
• IELTS: Direct
• PTEA: Direct

Admissions Requirements
• A 4-year bachelor’s degree with a minimum 3.0 out of 4.0 GPA equivalency (All international transcripts require an evaluation from a foreign transcript evaluation service)
• GRE scores (or GMAT scores for programs in Business) received within the last 5 years (minimum scores needed depend on the graduate entry requirements of the program to which the student applies)
• In addition, the graduate programs may have other requirements with which applicants must comply

Note: USF is competitive and meeting the minimum admission requirements does not guarantee admission. In the case of research-based programs, admissions decisions also may be based on the suitability of the applicant’s research interests, and the availability of professors in a particular field of research.

English Language Entry Requirements
• TOEFL of 79+ iBT or
• IELTS 6.5+ or
• PTEA 53+ taken within last 2 years
• Completion of AE Level 6*

* Not all graduate programs at USF accept Level 6 completion.
Pathway Programs

Graduate Pathway Program
The academic courses included in the Graduate Pathway programs are carefully chosen to ensure your success in graduate-level studies. The exact program structure and the combination of classes taken will depend upon your previous academic record and future study plan. Some of the Graduate Pathway programs have a set course sequence and allow no flexibility in changing courses.

Academic Advisors
During the academic Orientation, you will be advised which courses to take. Your work will be monitored by the INTO USF Graduate Pathway academic advisors who provide additional academic support for students who have difficulty in classes. The advisors will also assist you by working with academic department officials to obtain official approval of any changes that you may need to make to your study plans.

Program Structure
There are 1-Semester and 2-Semester Pathway options which are taught within one or two semesters respectively.

Program Benefits
Participating in a Pathway Program, you will receive the highest level of support during your transition to American university life, which makes INTO USF an ideal choice for those of you who are driven to achieve high academic goals. Other benefits include:

- Guaranteed progression to a USF graduate program subject to successful completion of a Pathway program
- More than 40 hours of GMAT or GRE test preparation
- Integration with domestic and international students
- Full access to all university facilities and amenities
- Classrooms and accommodations located in the heart of campus
- Highest levels of personal care and support and dedicated academic advisors
- Content tutors available to provide additional academic support

Key Program Facts

Start Dates*
- Fall: August 15, 2017
- Spring: January 2, 2018
- Summer: May 8, 2018
*Please see Pathway grids for specific program start dates.

Entry Requirements: 2-Semester Pathway
- Bachelor’s degree or equivalent with 2.5 GPA
- 4-year undergraduate degree
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78 or
  - IELTS 5.5-6.0 (All subscores minimum 5.0) or
  - PTEA 44-52 or
  - Completion of AE Level 5
  - Password Test Level 6

Entry Requirements: 1-Semester Pathway
- 4-year undergraduate degree
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+ or
  - IELTS 6.5+ or
  - PTEA 53+

Progression Requirements
- Minimum 3.25 GPA in Pathway courses
- At least one A grade in core graduate courses and no grade lower than B
- No Incomplete or Withdraw grades
- Minimum GMAT or GRE scores may be required during the Pathway program, depending on degree

GRE and GMAT Entry Requirements
- GRE or GMAT are not required to enter Graduate Pathway programs but are required to progress to some graduate degree programs. All students who are entering a program that requires a score will be required to submit a baseline GMAT/GRE score upon arrival. This can be unofficial. If you do not have a score to present, you will take an unofficial test during Orientation. These test results will be strictly for advising purposes.
- Students will receive over 40 hours of GRE or GMAT preparation while studying in the Pathway program. If a student already has the required GMAT or GRE score before joining the Pathway, they do not need to join test preparation classes.

Patel College of Global Sustainability

The Patel College of Global Sustainability fosters sustainable urban communities and environments through collaborative research, education and community involvement. Its research creates new knowledge to help cities worldwide, including those in developing countries, reduce their ecological footprint while making them healthier, more livable and resilient.

Key Research Areas
The Patel College of Global Sustainability provides cutting-edge research to develop solutions for today's most critical issues. Focus areas include challenges surrounding the development of resilient, livable and healthy cities of the future, particularly in the developing world:

- Global change and the associated uncertainties
- Urban form and its influence and impact on resource management
- Urban metabolism - modelling resource flows (water, wastes, energy, people, goods, etc.)
- Urban water integrated urban water modelling, flexible design, transitioning
- Renewable energy

Master of Arts in Global Sustainability
The college offers concentrations in: Water, Sustainable Tourism, Entrepreneurship, Building Sustainable Enterprise, Climate Change and Sustainability, Coastal Sustainability, Food Sustainability and Security, Sustainable Energy, Sustainable Transportation. Other program highlights:

- Research projects from the real world
- Global internship experience for all students
- Fall and spring start dates
- Personalized career development services

Water
The Patel College of Global Sustainability partners with leading international organizations to develop the solutions, mindsets and skills necessary to implement best water resource management practices to ensure that both the needs of society and the environment are met.

Sustainable Tourism
The concentration in Sustainable Tourism will enable you to understand the relationships between tourism, society, culture and sustainability. You will develop the skills necessary to design a successful sustainable tourism strategy and development plan that is beneficial to business, coastal and marine habitats, and the local community.

Entrepreneurship
The MA in Global Sustainability concentration in Entrepreneurship will provide you with a comprehensive understanding of concepts, tools and skills of sustainability and green technology.

Building Sustainable Enterprise
The MA in Global Sustainability concentration in Building Sustainable Enterprise will provide a foundation for designing sustainable organizations and businesses and related concepts pertaining to sustainability.

Climate Change and Sustainability
The Climate Change and Sustainability concentration provides a strong foundation to advance your career by providing the knowledge and skills necessary to address regional, national and global challenges related to climate change.

Coastal Sustainability
The concentration in Coastal Sustainability will provide you with knowledge of the global issues related to coastal planning including the nine planetary boundaries and implementation strategies.

Food Sustainability and Security
The MA in Global Sustainability concentration in Food Sustainability and Security will provide you with a solid understanding of key issues in food systems and safety/security.

Sustainable Energy
The Sustainable Energy Concentration will educate you in the growing field of renewable energy, which is expected to increase dramatically within a few decades creating significant employment, entrepreneurship, investment and trade opportunities.

Sustainable Transportation
The Sustainable Transportation concentration teaches methods for achieving a more sustainable transportation system and how that system fits into efforts to improve community design and the livability of urban areas.

For more information about the Global Sustainability Graduate Pathway entry and progression requirements, see page 47. For more information about the Patel College of Global Sustainability, visit: usf.edu/pcgs
College of Arts and Sciences

Master of Arts in Liberal Arts (American Studies, Film Studies, Humanities)

2-Semester Pathway
Fall: August 15, 2017

Degree Program Components
- 33 credit hour program
- 12 credit hours apply from Pathway
- 21 credit hours remaining toward degree

Program Information
- Minimum 3.25 GPA in Pathway
- At least one A in core graduate courses, and no grade lower than B
- No Incomplete or withdraw grades
- GRE score: 147Q, 153V
- Statement of purpose
- Academic writing sample

Entry Requirements
- 4-year undergraduate degree in relevant humanistic field such as Humanities, English, History, Art History, or American Studies
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

Semester 1 Course Title Credit Hours Progression Requirements
- EAP 1850 English for International Students I 6
- Study Skills and GRE Test Preparation 0
- HUM 6815 Introduction to Graduate Study 3
- HUM 6939 Selected Topics in Humanities 3
Total 12

Semester 2 Course Title Credit Hours
- EAP 1851 English for International Students II 6
- Study Skills and GRE Test Preparation 0
- Graduate Level Elective Course* 3
- Graduate Level Elective Course* 3
Total 12

Notes
- Students will be advised on which electives to take.
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.

1-Semester Pathway
Fall: August 15, 2017

Degree Program Components
- 33 credit hour program
- 9 credit hours apply from Pathway
- 24 credit hours remaining toward degree

Program Information
- Minimum 3.25 GPA in Pathway
- At least one A in core graduate courses, and no grade lower than B
- No Incomplete or withdraw grades
- GRE score: 147Q, 153V
- Statement of purpose
- Academic writing sample

Entry Requirements
- 4-year undergraduate degree in relevant humanistic field such as Humanities, English, History, Art History, or American Studies
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

Semester 1 Course Title Credit Hours Progression Requirements
- Study Skills and GRE Test Preparation 0
- HUM 6805 Introduction to Graduate Study 3
- Graduate Level Elective Course* 3
- Graduate Level Elective Course* 3
Total 9

Semester 2 Course Title Credit Hours
- EAP 1851 English for International Students II 6
- Study Skills and GRE Test Preparation 0
- BSC 6932 Intro to Cell Biology 3
- BSC 6932 Intro to Genetics 3
Total 12

Notes
- Students will be advised on which electives to take.
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.

Master of Science in Biology

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Degree Program Components
- 30 credit hour program
- 12 credit hours apply from Pathway
- 18 credit hours remaining toward degree

Program Information
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or withdraw grades
- GRE score: 148Q, 153V, 4.5AW
- 3 letters of recommendation
- Statement of purpose

Entry Requirements
- 4-year undergraduate degree in Natural Sciences (Chemistry, Biology, Medicine)
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

Semester 1 Course Title Credit Hours Progression Requirements
- EAP 1850 English for International Students I 6
- Study Skills and GRE Test Preparation 0
- BSC 6932 Cellular Processes (Bio I) 3
- BSC 6932 Metabolic Processes (Cell Metabolism) 3
Total 12

Semester 2 Course Title Credit Hours
- EAP 1851 English for International Students II 6
- Study Skills and GRE Test Preparation 0
- BSC 6932 Intro to Cell Biology 3
- BSC 6932 Intro to Genetics 3
Total 12

1-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Degree Program Components
- 30 credit hour program
- 9 credit hours apply from Pathway
- 21 credit hours remaining toward degree

Program Information
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or withdraw grades
- GRE score: 148Q, 153V, 4.5AW

Entry Requirements
- 4-year undergraduate degree in Natural Sciences (Chemistry, Biology, Medicine)
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

Semester 1 Course Title Credit Hours
- Study Skills and GRE Test Preparation 0
- BSC 6932 Cellular Processes (Bio I) 3
- BSC 6932 Metabolic Processes (Cell Metabolism) 3
- BSC 6932 Intro to Cell Biology 3
- BSC 6932 Intro to Genetics 3
Total 9

Notes
- Students will be advised on which electives to take.
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.
Master of Arts in Economics

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements
- 4-year undergraduate degree
- Equivalent of a 2.5 GPA out of 4.0
- Completion of prerequisite courses, which must have a final grade of B or better:
  - One semester of Calculus and Statistics
  - Secondary-level (intermediate level) course in Macroeconomics
  - Language requirement:
    - TOEFL iBT 65-78
    - IELTS 5.5-6.0 (All subscores minimum 5.0)
    - PTEA 44-52
    - Completion of AE Level 5
    - Password Test Level 6

Degree Program Components
- 30 credit hour program
- 12 credit hours apply from Pathway
- 18 credit hours remaining toward degree

Semester 1 Course Title Credit Hours
EAP 1850 English for International Students I 6
Study Skills and GRE Test Preparation 0
ECO 6405 Mathematical Economics I 3
ECO 6424 Econometrics I 3

Semester 2 Course Title Credit Hours
EAP 1851 English for International Students II 6
Study Skills and GRE Test Preparation 0
ECO 6115 Microeconomics I 3
ECO 6206 Macroeconomics I 3

Total 12

Program Information

Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- GRE Q Minimum Percentile: 55
- GRE V Minimum Percentile: 25

Notes
- Courses are offered every semester and courses indicated are for a Fall admission. The course sequence would be different for a Spring admission.
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.

1-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements
- 4-year undergraduate degree
- Equivalent of a 2.5 GPA out of 4.0
- Completion of prerequisite courses, which must have a final grade of B or better:
  - One semester of Calculus and Statistics
  - Secondary-level (intermediate level) course in Macroeconomics

"I graduated from USF with a BS in International Business. I am now pursuing my MS in Marketing while I work for USF’s International Admissions and as a Graduate Assistant for the USF Muma College of Business. My assistantship offers a tuition waiver, which has helped me alleviate the financial burden of graduate school."

Program Information

Progression Requirements
• Minimum 3.25 GPA in Pathway  
• At least one A grade in core graduate courses, and no grade lower than B  
• No Incomplete or withdraw grades  
• No GRE required  
• Statement of goals  
• 2 letters of recommendation

Notes
These courses are generally delivered through the INTO USF Center and are for Pathway students only.

Muma College of Business
Master of Science in Exercise Science

2-Semester Pathway
Fall: August 15, 2017

Entry Requirements
- 4-year undergraduate degree in Exercise Science or related field*
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

Degree Program Components
33 credit hour program
12 credit hours apply from Pathway
21 credit hours remaining toward degree

Semester 1
- Course Title
  - EAP 1850 English for International Students I
  - PET 6534 Research Methods in Exercise Science**
  - APK 6109 Cardiorespiratory Aspects of Exercise Physiology
- Credit Hours
  - 6
  - 3
  - 3
- Total 12

Semester 2
- Course Title
  - EAP 1851 English for International Students II
  - Graduate Level Core Course in Specialization
  - Graduate Level Core Course in Specialization
- Credit Hours
  - 6
  - 3
  - 3
- Total 12

Program Information

Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- GRE required
- Letter of recommendation
- Statement of purpose

Notes
The Master of Science in Exercise Science is a two-year program and cannot be completed in less than two years.

* Or any 4-year undergraduate degree that includes the following courses:
  - Anatomy/Physiology (3 credit hours)
  - Nutrition (3 credit hours)
  - Exercise Physiology (3 credit hours)

** Course offered every other fall semester.

Optional courses, and no grade lower than B

1-Semester Pathway
Fall: August 15, 2017

Entry Requirements
- 4-year undergraduate degree in Exercise Science or related field*
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

Degree Program Components
33 credit hour program
9 credit hours apply from Pathway
24 credit hours remaining toward degree

Semester 1
- Course Title
  - EAP 1850 English for International Students I
  - PET 6534 Research Methods in Exercise Science**
  - APK 6109 Cardiorespiratory Aspects of Exercise Physiology
- Credit Hours
  - 6

### Progression Requirements

- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- GRE score: 156Q, 150V, 3.5 AW
- Résumé
- 2 letters of recommendation
- Statement of research interests for students wanting to pursue a thesis option

### Notes for selected Graduate Level Core courses

List A
- BME 6107 Biomechanics I
- M 6235 Tissue Biomechanics
- M 6614 Biostatistics
- CED 6514 Biomedical Image Processing
- BCH 6888 Bioinformatics
- BME 6311 Cell and Tissue Engineering

List B
- GMS 6440 Basic Medical Anatomy
- GMS 6450 Basic Medical Physiology
- GMS 6605 Basic Medical Anatomy
- BME 6011 Biostatistics II

These courses are generally delivered through the INTO USF Center and are for Pathway students only.

### 1-Semester Pathway

- **Fall:** August 15, 2017
- **Spring:** January 2, 2018
- **Degree Program Components:**
  - 30 credit hour program
  - 9 credit hours apply from Pathway
  - 21 credit hours remaining toward degree

### Entry Requirements

- 4-year undergraduate degree in Engineering
- Equivalent of a 2.5 GPA out of 4.0

**Additional Entry Requirements**
- Formal courses in Computer Architecture, Operating Systems and Theory of Algorithms with grades B or better
- Programming proficiency in at least one high level programming language such as C, Java and/or C++ with formal courses and grades B or better

**Progression Requirements**
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or withdraw grades
- GRE score: 161Q, 150V
- 3 letters of recommendation
- Statement of purpose

These courses are generally delivered through the INTO USF Center and are for Pathway students only.

### 1-Semester Pathway
Fall: August 15, 2017  
Spring: January 2, 2018

**Entry Requirements**
- 4-year undergraduate degree in Computer Science, Computer Engineering, Electrical Engineering or Mathematics
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

**Degree Program Components**
- 30 credit hour program
- 9 credit hours apply from Pathway
- 3 credit hours remaining toward degree

Master of Science in Electrical Engineering

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements
- 4-year undergraduate degree in Engineering with expected emphasis in electrical and computer discipline topics.
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+ or equivalent
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

Semester 1
Course Title Credit Hours
EAP 1850 English for International Students I 6
Graduate Level Core Course in EE* 3
Graduate Level Core Course in EE* 3
Total 12

Semester 2
Course Title Credit Hours
EAP 1851 English for International Students II 6
Graduate Level Core Course in EE* 3
Graduate Level Core Course in EE* 3
Total 12

Degree Program Components
30 credit hour program
12 credit hours apply from Pathway
18 credit hours remaining toward degree

Program Information
Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- 3 letters of recommendation
- Statement of purpose
- Résumé
- No GRE required

Notes
*Graduate Level Core Course in Electrical Engineering:
EEL 6226 Microwaves and MEMS Technology
EEL 6752 Digital Signal Processing II
EEE 6586 Speech Signal Processing
EEL 6383 Modern Control Theory
EEL 6425 RF and Microwave Measurements

These courses are generally delivered through the INTO USF Center and are for Pathway students only.

1-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements
- 4-year undergraduate degree in Engineering with expected emphasis in electrical and computer discipline topics.
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+ or equivalent
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - 2 years of work experience in Engineering or Management***
  - Letter of recommendation and résumé

Semester 1
Course Title Credit Hours
Graduate Level Core Course in EE* 3
Graduate Level Core Course in EE* 3
Graduate Level Core Course in EE* 3
Total 9

Semester 2
Course Title Credit Hours
EAP 1851 English for International Students II 6
Graduate Level Core Course in EE* 3
Graduate Level Core Course in EE* 3
Total 12

Degree Program Components
30 credit hour program
9 credit hours apply from Pathway
21 credit hours remaining toward degree

Program Information
Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- No GRE required

Notes
* EGN 3443 Probability and Statistics for Engineers or equivalent course is a prerequisite for ESI 6247 Statistical Design Models and ESI 5306 Operations Research for Engineering Managers.
** Spring classes may be different based on course offerings each semester.
*** Work experience can consist of either engineering or management focused positions. If full-time work experience is not available, one or two semesters of an internship may be required in its place. These courses are generally delivered through the INTO USF Center and are for Pathway students only.

Master of Science in Engineering Management

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements
- 4-year undergraduate degree in Engineering with expected emphasis in electrical and computer discipline topics.
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+ or equivalent
  - IELTS 6.5+
  - PTEA 53+

Semester 1
Course Title Credit Hours
EAP 1850 English for International Students I 6
EIN 5182 Principles of Engineering Management 3
ESI 6247 Statistical Design Models* 3
Total 12

Semester 2
Course Title Credit Hours
EAP 1851 English for International Students II 6
EIN 5350 Technology and Finance 3
ESI 6386 Management of Technological Change or Technology and Finance 3
Total 12

Degree Program Components
30 credit hour program
12 credit hours apply from Pathway
18 credit hours remaining toward degree

Program Information
Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- 3 letters of recommendation
- Statement of purpose
- No GRE required

Notes

## Master of Science in Industrial Engineering

### 2-Semester Pathway

**Entry Requirements**
- 4-year undergraduate degree in Engineering
- Equivalent of a 2.5 GPA out of 4.0
- Must have taken probability/statistics course(s)
  in undergraduate program, with passing grades
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

### Program Information

**Progression Requirements**
- Minimum 3.25 Graduate GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No incomplete or withdraw grades
- GRE 300(QV), 156Q

**Notes**
- Core courses, as shown in Pathway, are mandatory.
- * Offered in the Fall semester only.
- ** Offered in the Spring semester only.
- Fall admission will follow the sequence stated here.
- Spring admission for 2-Semester Pathway students will follow reverse order for course assignments.

These courses are generally delivered through the INTO USF Center and are for Pathway students only.

Master of Science in Materials Science and Engineering

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements*
- 4-year undergraduate degree in Engineering or Natural Sciences**
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

*Please see additional entry requirements

Degree Program Components
30 credit hour program
12 credit hours apply from Pathway
18 credit hours remaining toward degree

Semester 1 Course Title Credit Hours
EAP 1850 English for International Students I 6
PHZ 5430 Introductory Physics of Materials 3
EML 6290 Micro and Nano Manufacturing 3

Total 12

Semester 2 Course Title Credit Hours
EAP 1851 English for International Students II 6
EMA 6510 Characterization of Materials 3
PHZ 6430 Applied Materials Physics II 3

Total 12

1-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements*
- 4-year undergraduate degree in Engineering or Natural Sciences**
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

*Please see additional entry requirements

Degree Program Components
30 credit hour program
9 credit hours apply from Pathway
21 credit hours remaining toward degree

Semester 1 Course Title Credit Hours
Study Skills and GRE Test Preparation 0
PHZ 5430 Introductory Physics of Materials 3
EML 6290 Micro and Nano Manufacturing 3

Total 9

Program Information
*Additional Entry Requirements
Applicants should have 2 courses in Physics and Calculus and Differential Equations in Math

Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- GRE on File
- 2 letters of recommendation
- Statement of purpose

Notes
**Applicants should have a bachelor's degree in Engineering (Chemical, Mechanical, Industrial, Electrical, Civil, Materials Science, Ceramic, Metallurgy, Manufacturing, Polymer and related disciplines) or Natural Sciences (Physics, Chemistry or Biology) from an accredited institution.
MS-MSE is an interdisciplinary degree. The curriculum is flexible with few core courses, and will be tailored to students based on their focus areas of study.
Courses listed are a sample sequence and may vary depending on a student's background.
These courses are generally delivered through the INTO USF Center and are for Pathway students only.

Graduate Level Core Courses
- Mechanics and System Courses
- Fluid and Thermal Science Courses

Master in Mechanical Engineering

2-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements*
- 4-year undergraduate degree in Mechanical Engineering
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 65-78
  - IELTS 5.5-6.0 (All subscores minimum 5.0)
  - PTEA 44-52
  - Completion of AE Level 5
  - Password Test Level 6

*Please see additional entry requirements

Degree Program Components
30 credit hour program
12 credit hours apply from Pathway
18 credit hours remaining toward degree

Semester 1 Course Title Credit Hours
EAP 1850 English for International Students I 6
Graduate Level Core Course (Fluid and Thermal Science Course from list) 3
Graduate Level Core Course (Mechanics and System Course from list) 3

Total 12

Semester 2 Course Title Credit Hours
EAP 1851 English for International Students II 6
Graduate Level Core Course (Fluid and Thermal Science Course from list) 3
Graduate Level Core Course (Mechanics and System Course from list) 3

Total 12

1-Semester Pathway
Fall: August 15, 2017
Spring: January 2, 2018

Entry Requirements*
- 4-year undergraduate degree in Mechanical Engineering
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:
  - TOEFL iBT 79+
  - IELTS 6.5+
  - PTEA 53+

Semester 1 Course Title Credit Hours
Graduate Level Core Course (Mechanics and System Course from list) 3
Graduate Level Core Course (Fluid and Thermal Science Course from list) 3
Graduate Level Core Course (Mechanics and System Course from list) 3

Total 9

Program Information
*Additional Entry Requirements
Students entering the program must have completed the following courses:
- Mathematics: Calculus I, II, III, Differential Equations

Progression Requirements
- Minimum 3.25 GPA in Pathway
- At least one A grade in core graduate courses, and no grade lower than B
- No Incomplete or Withdraw grades
- No GRE required

Notes
Fluid and Thermal Sciences Courses
- EML 6105 Advanced Thermos and Statistical Mechanics
- EML 6154 Advanced Conduction Analysis
- EML 6613 Advanced Fluid Mechanics
- EML 6930 Convection Heat Transfer

Mechanics and System Courses
- EML 6273 Advanced Dynamics of Machinery
- EML 6613 Applied Elasticity
- EML 6930 Failure Mechanisms in Materials
- EML 6930 Advanced Materials
- EML 6223 Synthesis of Vibrating Systems

These courses are generally delivered through the INTO USF Center and are for Pathway students only.
Patel College of Global Sustainability

Master of Arts in Global Sustainability

### 2-Semester Pathway

**Fall:** August 15, 2017  
**Spring:** January 2, 2018

**Entry Requirements**
- 4-year undergraduate degree
- Equivalent of a 2.5 GPA out of 4.0
- Language requirement:  
  - TOEFL iBT 79+  
  - IELTS 6.5+  
  - PTEA 53+

  - Minimum 3.25 GPA in Pathway
  - At least one A grade in core graduate courses and no grade lower than B
  - No Incomplete or Withdraw grades
  - GRE on file
  - Recommendation/Reference (preferably from previous professors, employers within the field of science within the last five years of coursework or employment)
  - Statement of Purpose
  - Resume or CV

**Notes**
- Possible courses in discipline are:
  - PHA 6111 Introduction to Nanotechnology
  - PHA 6336 Tissue Engineering and Regenerative Medicine
  - PHA 6119 Micro/Nanomaterials in Drug Delivery Systems
  - PHA 6177 Nanotechnology and Risk Management
  - PHA 6449 Pharmacogenomics – Current and Future Prospects
  - PHA 6118 Nanomaterials, BioMEMS and Nanodevices in Medicine
  - PHA 6222 Pharmacy Practice Management
  - PHA 6225 Innovation, Innovation & Entrepreneurship
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.

College of Pharmacy

Master of Science in Pharmaceutical Nanotechnology

### 2-Semester Pathway

**Fall:** August 15, 2017  
**Spring:** January 2, 2018

**Entry Requirements**
- 4-year undergraduate degree preferably in the biomedical, biological, pharmaceutical or chemical sciences, or engineering, or similar, from a regionally accredited institution
- Equivalent of a 2.5 out of 4.0 GPA
- Language requirement:  
  - TOEFL iBT 79+  
  - IELTS 6.5-6.0 (All subscores minimum 5.0)  
  - PTEA 44-52
- Completion of AE Level 5

  - At least one A grade in core graduate courses, and no grade lower than B
  - No Incomplete or Withdraw grades
  - GRE on file
  - Recommendation/Reference (preferably from previous professors, employers within the field of science within the last five years of coursework or employment)
  - Statement of Purpose
  - Resume or CV

**Notes**
- Possible courses in discipline are:
  - PHA 6114 Introduction to Nanotechnology
  - PHA 6336 Tissue Engineering and Regenerative Medicine
  - PHA 6119 Micro/Nanomaterials in Drug Delivery Systems
  - PHA 6177 Nanotechnology and Risk Management
  - PHA 6449 Pharmacogenomics – Current and Future Prospects
  - PHA 6118 Nanomaterials, BioMEMS and Nanodevices in Medicine
  - PHA 6222 Pharmacy Practice Management
  - PHA 6225 Innovation, Innovation & Entrepreneurship
- These courses are generally delivered through the INTO USF Center and are for Pathway students only.

### 1-Semester Pathway

**Fall:** August 15, 2017  
**Spring:** January 2, 2018

**Entry Requirements**
- 4-year undergraduate degree preferably in the biomedical, biological, pharmaceutical or chemical sciences, or engineering, or similar, from a regionally accredited institution
- Equivalent of a 2.5 GPA out of 4.0 GPA
- Language requirement:  
  - TOEFL iBT 79+  
  - IELTS 6.5-6.0 (All subscores minimum 5.0)  
  - PTEA 44-52
- Completion of AE Level 5  
- Password Test Level 6

Notes

Please allow at least 2 months for an admissions decision for this program.
* Each student is required to submit a portfolio of academic work for admission to the program, and then will continue to submit portfolios during their degree. Students must pass these portfolio reviews to advance in this highly competitive program. Students should indicate which item in the portfolio corresponds with which course on their transcripts. You can read the school's portfolio policy at: http://arch.usf.edu/wp-content/uploads/2015/01/Portfolio_Policy_Rev01052015.pdf
** Three Studio courses are required for the UCD program. These courses have a mandatory travel requirement and incur an additional fee. The travel destination and fees are determined at the start of the semester.

** Music Concentrations **

** Performance** is designed for students who are interested in pursuing a career in musical performance. Instruction is available for all orchestral wind and string instruments, as well as percussion, voice and piano. Performance auditions are required for admission.

** Conducting** is for students interested in either instrumental or choral conducting. Conducting auditions are required for admission.

** Composition** is intended to provide you with a well-rounded understanding of compositional techniques across a wide range of genres. Composition portfolios are required for admission and requirements include:

- Sample notated scores (with optional recordings) 3-5 Scores
- List of works and performances
- Personal statement describing your experience as a musician/composer
- Curriculum vitae or résumé
- Interview with USF composition faculty

Three students will be admitted each fall. All auditions must be submitted by February 1; admissions decisions will be made by late March. Composition students cannot apply to Academic English first for this program.

** Jazz Studies** is available if you are in a performance or composition program. Performance auditions or composition portfolios are required based on the student’s area of interest.

** Electro-Acoustic Music** is a great concentration if you are interested in music composition and performance using various forms of music technology. Composition portfolios are required for admission and requirements include:

- Sample notated scores (with optional recordings) 3-5 Scores
- List of works and performances
- Personal statement describing your experience as a musician/composer
- Curriculum vitae or résumé
- Interview with USF composition faculty

** Chamber Music** is a performance-based degree for piano and string instrument players interested in chamber music. This concentration is 34 credit hours. Performance auditions are required for admission.

** Piano Pedagogy** is the best choice if you are interested in learning keyboard teaching and learning concepts. Interviews are required for admission.

** All Concentrations**

Diagnostic tests in music history/literature and theory must be taken prior to admission. Additional instrument audition information can be found at: music.arts.usf.edu/content/templates/7a=1217&z=8

Certain programs require a supplemental application and additional requirements which can be found here: bit.ly/USFGradMusic

INTO USF will coordinate all auditions with the School of Music on the applicant’s behalf.
# College of The Arts - Limited Access Programs

For both of these programs, only five students will be admitted each fall. All portfolios must be submitted by February 1; admissions decisions will be made in late March. Students cannot apply to Academic English first for either of these programs.

# Notes

**ONLY 5 PLACES AVAILABLE INTO USF** and the USF College of The Arts are partnering together in a search for the world’s most talented artists. For the 2017-18 academic year, only five places for the Architecture graduate Pathway are available. In addition to meeting all entry requirements, the student’s portfolio will be reviewed by School of Architecture faculty to determine eligibility.

**Notes**

*Depending on student’s academic background, the program could take anywhere from 51 to 91 credit hours. This will be decided at point of admission.*

**Portfolio:** Students are required to submit a portfolio for admission to the program. You can find more information at arch.usf.edu/the-school/resources/forms-policies.

These courses are generally delivered through the INTO USF Center and are for Pathway students only.

https://art.usf.edu/content/templates/?a=1180&z=27
The English Language Program supports the University of South Florida in its mission to ensure student success in a global environment by providing a variety of study options for international students to develop their English language proficiency and cultural knowledge.

87%
Students report overall satisfaction with INTO USF and its programs.
Academic English

Program Description
The Academic English Program at INTO USF will prepare you for university study at both the undergraduate and graduate levels. AE concentrates on developing reading, writing, listening and speaking skills and focuses on grammar. The unique curriculum is created for you to work in small groups with other students to complete academic projects.

Program Highlights
- Content-based instruction: Language skills are taught using content from academic subject areas such as business, environmental studies, education, science and humanities
- Elective course topics include American culture, pronunciation and drama, business communication, academic vocabulary, service learning in the community, IELTS prep and GRE/GMAT prep
- Advanced language preparation for graduate students at Levels 5 and 6
- AE Extended Learning: 2 hours/week of additional instruction in academic success skills and American culture (eg communicating with your professor, making friends in the US, writing a résumé or admissions essay)
- Interest Groups provide an optional 3 hours/week of English practice outside of class in clubs about art, sports, games and conversation corners
- Learning is enhanced by technology: you will use laptops, tablets and smart phones in classroom activities
- Computer labs are equipped with language and testing software (IELTS, TOEFL, GRE, GMAT)

Program Outcomes
After finishing the Academic English program at USF, you will be able to:
- Interact in a typical US classroom with professors and other students
- Present your ideas effectively in speaking and writing
- Be able to use library databases to conduct academic research
- Write research papers with proper use of citations and references
- Read, comprehend and critically evaluate academic texts
- Understand and use vocabulary common to a variety of academic disciplines
- Take notes in academic lectures and presentations
- Prepare and deliver university-level presentations

Program Courses
Levels 1-4
- Academic Preparation: Reading, writing and research (4.5 hours/week)
- Academic Interactions: Listening, note taking, speaking and presentations (4.5 hours/week)
- Grammar: Grammar in context approach to improve language skills (4.5 hours/week)
- Elective Course: Up to 5 elective courses to choose from (4.5 hours/week)

Levels 5-6
- College Prep Course: Content-based integrative skills class focused on various topics from college majors (4.5 hours/week)
- Advanced Research Writing Courses: Writing and Editing and Research Writing (4.5 hours/week)
- Elective Courses: Two electives (4.5 hours/week each) that focus on advanced speaking, listening, vocabulary or GRE/GMAT preparation

“Academic English helped me to get acquainted with the US education system. I loved my Academic Interactions class since it allowed me to learn about different cultures and share my culture with other students.”

Asaad Alalawi, Oman
BS in Mechanical Engineering
I chose Undergraduate Study Abroad with English program because I wanted to experience U.S. student life and improve my English. I've already learned how to compose essays in Japanese, but in English it's a little bit different so it's really interesting to me. I'm also thinking to come back here for graduate school, so right now I'm working on it to make it happen.

Miki Uetake, Japan
Undergraduate Study Abroad with English

"I chose Undergraduate Study Abroad with English program because I wanted to experience U.S. student life and improve my English. I've already learned how to compose essays in Japanese, but in English it's a little bit different so it's really interesting to me. I'm also thinking to come back here for graduate school, so right now I'm working on it to make it happen."

Undergraduate Study Abroad with English
University Summer Experience

Program Description
University Summer Experience offers international participants ages 14-18 the opportunity to come tour the University of South Florida, INTO USF and the surrounding Tampa Bay area. You will practice your English language skills while attending language workshops, testing workshops focused on IELTS and TOEFL, USF department visits, educational field trips, conversation partner meetings and recreational events.

Attending our University Summer Experience, you will become familiar with university life as you will live and interact with students and faculty at USF’s Tampa campus. You will have access to university facilities and public transportation (via the USF BullRunner shuttle and Tampa public buses) during your stay, as well as access to in-residence counselors.

Program Features
- Fun, interactive workshops designed to give you a chance to develop confidence in using English and prepare for test taking. Workshops provide an opportunity to work on challenging projects involving problem solving and critical thinking.
- Opportunity to practice English with Americans through weekly recreational events and conversation partners.
- Visits to USF departments to experience lectures, participate in hands-on activities and tour facilities (i.e., engineering and science labs, USF Health, art studio, athletics). Meet and interact with USF professors and students.
- Educational field trips in which you learn about American culture and history.
- Weekend trips including visits to Orlando theme parks such as Walt Disney World or Universal Studios, and various trips to explore Tampa area beaches, shopping, sporting events or museums.

Key Program Facts
Start Dates
- Session 1: June 25 - July 8, 2017
- Session 2: July 9 - July 22, 2017

Program Duration
- 2 or 4 weeks

Entry Requirement
- Participants must be able speak and listen to English at an intermediate level
- Must have a valid passport
- Must complete and submit all supplemental forms before payment
- Participants will be on a B-1 visitor visa or visa waiver

Age Requirement
- 14-18 years old and must be age 14 by June 1 of the participating year.

For more information visit:
www.intostudy.com/usf/summerexperience or intospecialprograms@usf.edu
Life on Campus

USF campus is buzzing with student life. There are plenty of opportunities to get involved, meet friends, discover passions and make a difference.

New Student Connections
The New Student Connections office is focused on helping new students to be successful and feel comfortable on campus through fun events and peer programs.

Office of Multicultural Affairs
This office can help you to learn about other countries, cultures, beliefs and more through fun events and interesting programs. The International Buddy Program, or iBuddy, offers cultural exchange by partnering international students with domestic students, giving both the chance to share their culture and experiences in a relaxed environment with fun events each semester.

Center for Student Involvement
With more than 600 student organizations and student-run programs planning activities, there are many educational and recreational events to attend or organize at USF. Visit the department to begin exploring interests and new hobbies.

Center for Leadership and Civic Engagement
You can discover your passions and talents while developing skills and understanding leadership and active citizenship. Through volunteer service locally, nationally and internationally, you can learn about social issues and cultures.

Fraternity and Sorority Life
With more than 40 fraternities and sororities, USF's Greek organizations develop close-knit communities, where members are academically supported, leadership skills are developed and philanthropy is encouraged.

Student Government
Student Government gives students at USF a voice and welcomes your involvement. With so many programs and services to support the student body, you can volunteer or seek employment with this important organization.

Religious and Spiritual Life
You can pursue your religious and spiritual practices openly or in community with other students at USF. We offer an organized network of faith communities on campus that coordinate their efforts to engage you in activities and worship.

More than 300 concerts, performances, exhibitions, lectures, symposiums and festivals yearly

More than 165 classrooms with interactive technology
Health and Safety

The well-being of every student helps to ensure overall student success. Thus, health and safety is a top priority at USF.

**Student Health Services**
Student Health Services is the accredited, on-campus medical facility and your first choice for convenient non-emergency medical attention. Staffed by physicians and other medical professionals, SHS provides general medical visits to students with no out-of-pocket expense and specialized services at minimal cost. For more information, please visit: shs.usf.edu

**Health Insurance Requirement**
Full health and medical insurance is required for all USF international students. The INTO USF Student Health Insurance Plan meets this requirement and will automatically be added to your program fees. For information and costs, email: INTOinsurance@usf.edu

**On-campus Pharmacy**
Located on the first floor of the Student Center, the on-campus pharmacy can fill medical prescriptions.

**Wellness Center**
Conveniently located in the student union, the Wellness Center is open to all students interested in a healthier lifestyle.

**Counseling Center**
If you are having a difficult time adjusting to the international study experience, the Counseling Center is staffed by professionals from Asia, Europe, the Middle East and the Caribbean who can help you find ways to successfully manage college life.

**USF Police Department**
The USF Police Department employs more than 40 State of Florida Police officers and provides a full range of safety services solely to the USF community 24 hours a day, seven days a week, including routine patrols of campus and residence areas, emergency response, crime investigations, traffic incidents, crowd control and more.

**SAFE Team**
SAFE Team is a free, on-campus escort program that offers you a safe option for getting from one campus location to another during evening and early morning hours.

**Emergency Blue Light Phones**
USF has more than 70 emergency telephones located throughout campus that are monitored by the USF Police Department and are equipped with automatic location indicators.

**Mobile Emergency Alerts and Tools**
MoBull Messenger is part of USF’s Emergency Notification System and alerts our community in the event of a campus emergency. USF also offers other mobile applications/services to help ensure your safety.
Intramural sports are a popular activity among USF students. Students receive free admission to sporting events.
Sports and Recreation

You can be a part of the excitement and pride of the American Athletics Conference at USF, with 19 men's and women's varsity teams competing in the NCAA. Also, the campus recreation center will help you to stay fit and have fun.

School Spirit
USF has many traditions and celebrations that are part of our culture. School spirit is a way for students to connect with another and a great example is the “Go Bulls” hand symbol, which is a popular USF cheer and greeting.

Intercollegiate Athletics
Sports are a big part of campus life. You will be admitted free to all home sporting events, including the largest football student section in the conference. USF Athletics has built new stadiums for baseball, soccer and softball and completely renovated the Sun Dome, making the sports district one of the best in the country. The USF Men's Soccer team is consistently ranked in the top 20 in the nation each year.

Women's Teams:
- Basketball
- Cross country
- Golf
- Sailing*
- Soccer
- Softball
- Tennis
- Track and field
- Volleyball

Men's Teams:
- Baseball
- Basketball
- Cross country
- Football
- Golf
- Soccer
- Tennis
- Track and field

USF Golf Course
The Claw at USF is known as one of the most challenging golf courses in Tampa and is home to the USF men’s and women’s golf programs. The Claw has its own restaurant and golf shop and offers daily play for a fee, as well as monthly memberships for those who want to play unlimited golf all year long.

Campus Recreation
USF’s 8,500-square meter facility and fields allow students to participate in a variety of recreational activities, including:
- Strength training equipment
- Interactive cardiovascular machines
- Free weights
- 50+ group fitness classes
- Credit courses (like ballroom dancing, scuba diving and martial arts)
- 2 gyms
- Elevated running lanes
- 6 indoor racquetball courts
- Indoor and outdoor swimming pools
- Football, soccer and softball fields
- Basketball courts
- 16 lighted tennis courts
- 1.9 km fitness trail
- Canoeing
- High ropes course
- Adventure trips
- Sports/Fitness equipment for checkout
- “Borrow Our Bikes” program
- Outdoor rental gear (backpacks, tents, etc.)

Intramural Sports
More than 30 sports to choose from, the intramural sports program facilitates organized leagues and tournaments for students, faculty and staff members. Students can create their own team or join an existing team such as badminton, basketball, bowling, flag football and more.

Club Sports
Club sports are student-run organizations that participate in regional and national leagues and tournaments. Sports clubs include:
- Badminton
- Baseball
- Bowling
- Cricket
- Cycling
- Equestrian
- Fencing
- Field hockey
- Fishing
- Flag football
- Golf
- Ice hockey
- Ice skating
- Judo
- Kettleball
- Lacrosse
- Paintball
- Racquetball
- Rock climbing
- Roller hockey
- Rowing
- Running
- Sailing*
- Sand volleyball
- Scuba diving
- Shooting
- Skateboarding
- Skimboarding
- Soccer
- Surfing
- Swimming
- Table tennis
- Tennis
- Triathlon
- Tumbling
- Ultimate frisbee
- Volleyball
- Wakeboarding
- Waterpolo
- Wrestling

*Students must be enrolled at the St. Petersburg campus for this sport.
Common areas are for studying and socializing.

90% Student satisfaction with the living experience on campus

Rooms have cable TV and internet service
On-campus Housing

Convenient to classes and activities, USF’s housing offers benefits and services to meet your needs.

Who Can Live on Campus?
- Direct Admit students (not required)
- Undergraduate Pathway students
- Graduate Pathway students
- Academic English students
- Study Abroad with English students
- University Summer Experience participants

Benefits of Living on Campus
- 24/7 access to staff to help guide new students, including resident advisors
- Access to academic resources
- Located close to classrooms, dining halls, fitness facilities and social activities

Applying for Housing
To help you find on-campus housing, inform INTO USF of travel details when applying. Please email: INTOhousing@usf.edu

Residential Requirement
Students in the INTO USF Undergraduate Pathway program and Undergraduate Academic English students planning to progress to an Undergraduate Pathway program are required to live in on-campus housing for the first year. You will fulfill your housing requirement by living on campus for one to three semesters, depending on what semester you start the program.

Features of Residence Hall Living
- Air conditioning
- Cable television service
- Wired and wireless internet
- Designated wheelchair-accessible rooms
- Kitchens on every floor
- Laundry facilities
- Study lounges
- Vending machines
- 24-hour, on-call emergency maintenance

Items that come in your room
- Adjustable bed frame
- Extra-long mattress (twin XL)
- Desk and desk chair
- Dresser and clothes closet
- Trash can

Items that come in your linen pack (INTO program only)
- Mattress pad
- Bed sheets (1 flat, 1 fitted)
- Pillow and pillowcase
- Duvet and duvet cover
- Two towels, a hand towel and a washcloth

Each residence hall features personal mailboxes.

Apartment-style housing has four single bedrooms, two bathrooms and a shared kitchen and living room.

Bathrooms are cleaned daily in traditional suites, weekly in premium suites and twice per semester in apartments.

6,500+ Students live on campus
Types of On-campus Housing

USF offers three different styles of on-campus housing.

**Apartment Style (Four Private Bedrooms)**
Open to all students, including graduate-level students.

**Premium Suite Style (Two Double Bedrooms)**
Open to all students, including graduate-level students. First priority will always be given to students in the Undergraduate Pathway and Academic English programs intending to progress to an Undergraduate Pathway for the year.

**Suite Style (Four Double Bedrooms)**
Open to all students, including graduate-level students. Closed during the summer.
Off-campus Housing

USF has a long-standing partnership with many apartment communities in the surrounding Tampa community. Many off-campus housing facilities are located near campus with transportation available.

Off-campus Housing
Do not sign a lease with an off-campus property until the on-campus housing requirement is satisfied, or you have been granted a written release by USF Housing and Residential Education.

Having a written release by USF Housing to live off campus, you should arrive early and budget to stay in a hotel until you are able to secure a new lease and take occupancy.

Transportation
If you live off campus you can use the USF Bull Runner bus line and the Tampa HART bus line.

Housing Costs
Make sure you bring sufficient funds to cover the cost of making all the necessary arrangements for off-campus housing, which could include: first and last month’s rent and security deposit; utility deposits for gas, electric and telephone services; and the first month’s utility bills. These deposits and rent can cost up to $2,000 or more.

Off-campus Affiliated Housing
USF currently has partnerships with the following apartment communities: The Province, The Venue, Avalon Heights, 40 Fifty Lofts and Campus Club.

More Help
For assistance finding off-campus housing, please email INTOhousing@usf.edu, visit the INTO USF Office or online at: housing.usf.edu/resources/affiliated

“I live off campus in a fully furnished apartment with all utilities included in the price. We have two swimming pools, gym, computer lab, as well as barbeque grills. Venue is located walking distance from campus and has a Bull Runner stop right in front of the complex.”

Thiago Arzua, Brazil
BS in Chemistry

Nationwide for cost of rent
(American Institute for Economic Research 2016)
All USF’s dining halls are designed to provide a variety of options.

There are several Starbucks located around the Tampa campus.

25+ on-campus dining locations including Starbucks, Panda Express, Subway and convenience stores

Vegan, halal and gluten-free options available at all dining halls
Dining

USF has three facilities on campus that offer buffet-style dining so students can choose their own meal.

Benefits of Dining On Campus
The many benefits of on-campus dining include:

• Freshly prepared meals
• All-you-care-to-eat meals including fresh fruit and salad bars, pizza, pasta, Asian, Mediterranean and American cuisine, custom-made deli sandwiches and wraps, halal, vegan, vegetarian and gluten-free, and many other exciting, chef-created food choices
• No cooking, washing dishes or shopping for groceries
• No need to carry cash—meal plans are on the student’s USF ID Card
• Maximum flexibility—eat at any of the on-campus dining halls or use pre-purchased dining dollars for the two full-service restaurants and multiple other dining facilities on campus
• Dining locations are open from early morning until after midnight

Meal Plan
All-Access Plan:

• Unlimited daily access to the on-campus dining halls
• You can also take your meals home with the to-go program

On-campus Dining Options

Fresh Food Company
Enjoy unlimited servings from the stations such as American Diner, Mediterranean, Fresh Produce and Accents. All stations feature exhibition-style cooking using only the freshest of ingredients.

Juniper Dining
Choose from six different exhibition-style cooking stations. Menu items include halal, vegetarian and vegan entrees, and an allergen-friendly Mongolian style grill, salad bars, fresh produce, traditional American cuisine, grilled and barbecued items, Italian cuisine and delicious specialty desserts.

Champion’s Choice
Located in the southeast section of campus, this new dining facility offers a variety of nutritional and healthy cuisine options for meal plan members, student athletes and the entire community. At the five stations, nutritional information of the food is prominently displayed as it is cooked.

Food Court at USF Student Center
The food court in the USF Student Center offers selections such as Panda Express, Chick-fil-A, Subway, AFC Sushi, Moe’s Southwest Grill and Papa John’s Pizza. In addition, the student center offers Jamba Juice, Einstein Bros. Bagels, Beef ‘O’ Brady’s and On Top of the Palms restaurants.

Dining Dollars
You have the option to purchase Dining Dollars which can be used at any USF dining location. Dining Dollars are great for grabbing a quick meal at an on-campus restaurant between classes, a snack for late night studying, buying items from the convenience store or just to treat a friend to a meal. With Dining Dollars, you will also receive discounts at many of the USF dining locations.

Nutrition and Special Dining Needs
USF Dining has many on-campus options for all dietary needs as well as nutrition and wellness information.

• The allergen-friendly Peace of Mind station offers meat-free, nut-free, dairy-free and gluten-free entrées at Juniper Dining and Fresh Food Company.
• Healthy for Life nutritional messages point the way to healthier menu selections in all on-campus dining halls.
• USF Dining’s Vegan and Vegetarian Guide to Eating On Campus offers specific menu choices for vegan and vegetarians at all on-campus restaurants, convenience stores, cafés and coffeehouses.
• The USF Dining Dietitian is the best resource for on-campus special dietary and food-allergen counseling and can be reached via the USF dining website.

On average, more than 5,000 students have a meal plan

For every $100 spent on USF Dining Dollars, an additional 10% is added for free
There are many information sessions hosted on campus.

The Job Shop is a great resource for job search and résumé writing.

Appointments are available with career counselors.

USF students volunteer more than 100,000 service hours a year.
Internships and Working

USF is committed to the excellence not only of its students, but of its powerful alumni network. Local and national businesses recognize the quality of a USF education and the quality of work our graduates produce.

Career Services
USF Career Services provides comprehensive career planning and job search counseling. Services available include:

- Career counseling
- Career library and computer lab
- Career networking events
- Part-time job fairs
- Résumé critiques
- Workshops

Career Fairs
Each semester Career Services coordinates numerous fairs and events related to employer recruitment efforts. All events are open to all USF students and alumni. These fairs are scheduled at the beginning of the fall and spring semesters for organizations hiring for full-time, co-op and internship opportunities. Approximately 1,500 job seekers attend (including alumni).

Graduate Research or Teaching Opportunities
As an international graduate student you may qualify for a graduate research or teaching assistantship. Requests for assistantships should be made at the time of application for admission. Please consult department websites for criteria and application deadlines. Additional scholarship and financial aid resources may be found at: www.usf.edu/admissions/graduate/graduate-assistantships.aspx

Cooperative Education
Co-op is an educational partnership between the university and an employer that allows current students to engage in a paid training experience related to their major and is administered by Career Services. Co-op is a cost-effective way to recruit employees from a pre-screened candidate pool and permits evaluation of potential hires without long-term commitment. The co-op length may be a one or multi-semester commitment between the employer and the student. International students who are approved co-op applicants have been cleared by the Office of International Services as eligible to participate.

Work Opportunities
With either an F-1 or J-1 student visa, you are allowed to work on the USF campus on a part-time basis (20 hours/week or less) during fall and spring and full-time (40 hours/week) during summer, as long as you maintain your F-1/J-1 status. There are a wide variety of employment opportunities available. For details, visit: lib.usf.edu/job-shop/

You should visit the Office of International Services after getting a job offer to apply for a Social Security card.

Degree-enhancing Internships
USF has built internship partnerships with a number of Tampa businesses and organizations ranging from JPMorgan Chase to Tampa General Hospital.

Working after Graduation
Depending on the type of visa, you may be eligible for Optional Practical Training or Academic Training. These opportunities generally provide work authorization for 12 months after graduation from a degree program. STEM students can apply for a 24-month extension. International Services offers programs and workshops each semester to help you understand the legal aspects of working in the US.

High-tech Opportunities
Tampa is home to 60% of Florida’s high-technology corridor.

Florida’s Economic Strengths
- International trade
- Tourism
- Aerospace
- Services
- Agriculture
- Software
- Construction
- Health technology
- University research

“IUSF is one of the most diverse places I have ever been to. It provides perfect balance of social and cultural exchange experience as well as study and work resources to concentrate on self-development.”

Illiazbek Akhmedov, Kyrgyzstan
MS in Computer Science
Software Engineer, Samsung Electronics America (Silicon Valley)
Alumni and Parents

With more than 300,000 domestic and 21,000 international alumni, USF student success can be found in 184 countries. Bulls run major businesses and help improve our world in civic, educational and research leadership roles.

Alumni Accomplishments
USF alumni have won distinguished awards, such as the Pulitzer Prize, and have prosperous careers in the sport and entertainment fields. Of the more than 114,000 members of the USF Alumni Association, 76% earn $50,000 or more and 32% earn $100,000 or more each year.

Notable USF Alumni

**Eric Bost**
(’85, MA Special Education)
Former US Ambassador to South Africa

**Eddie Carpenter**
(’70, BA Accounting)
President of Disneyland International and CFO of Walt Disney Attractions

**Robert B. Carter**
(’90, MBA)
Executive Vice President and Chief Information Officer for the FedEx Corporation

**Michael Coombs**
(’95, MBA)
CEO of Coca Cola Japan

**Richard Gil Kerlikowske**
(’78, BA and ’85, MS Criminal Justice)
Director of the US Office of National Drug Control Policy

**George Reyes**
(’76, BA Accounting)
Former CFO of Google and a director of BEA Systems, Symantec and LifeLock

**Kimberly A. Ross**
(’92, BA Accounting)
Executive Vice President and Chief Financial Officer, Avon Products Inc.

**Robert Stackhouse**
(’65, BA Art)
Internationally Renowned Artist

**Derrick Warren**
(’96, Executive MBA)
VP of IBM’s Strategic Outsourcing Sales for Global Technology Services

USF Parents and Families

At USF, we understand that it’s important for your families to stay informed and involved with your education in the US.

Your families can look to the Office of Parent and Family Programs that provides:

- Resources like informative Bull Family Connect can help families understand the student’s growth and development at USF
- A communication link between parents and families and the USF community, including the Parent and Family BULLetin, Facebook and Twitter
- Opportunities for you and your family to be involved in the fun and excitement of USF, with events like our Family and Friends Weekend

> International students wear sashes during graduation that represent their home country.

This guide is used for evaluation purposes by the University of South Florida International Admissions Office and is supplied here for reference only. Meeting the requirements listed does not necessarily indicate that a student will qualify for admission to the University of South Florida or INTO University of South Florida. When referring to the following guides, be aware that this is not inclusive of all grading requirements. Grading systems and educational structures vary widely around the world and we evaluate each application individually to determine if the applicant meets the standards for success at the University of South Florida. Please also be aware that requirements by country are updated and adjusted appropriately throughout an academic year and might not be current in this brochure.
