- You can also update your diploma address through OASIS.

In addition, you will be asked to complete an online MBA Career Placement Profile. This profile must be completed during the last two weeks of your final semester. Spring 2014	February 7, 2014	May 3, 2014
Summer 2014	June 6, 2014	August 9, 2014

- For All Commencement Dates see <http://usfweb2.usf.edu/commencement>
- See your Advisor as some colleges have additional graduation requirements and unique deadlines; e.g. the **College of Engineering** requires students to apply for graduation in the term prior to the anticipated graduation term. Necessary forms and instructions can be obtained in the Engineering Advising Office. Your college will sign or stamp your application and forward to the Office of the Registrar. If you are applying for two degrees concurrently, you must complete an application for each. **IF YOU DO NOT GRADUATE**, you must submit a new application by the deadline for that term in which degree requirements will be met.

Important:

A new on-line FACTS.org application must be filed with the Admissions Office after graduation if you wish to return to USF to seek another degree.

“I” Grades Policy for Degree-Seeking Graduate Students: It is your responsibility to clear all “I” grades earned after Summer Term 1992 prior to graduation. “I” grades not removed by graduation will convert to “IF” or “IU” whichever is appropriate for final GPA calculation.

Current Term Courses: You must notify your college concerning any change or error in your schedule for the current term. This means any adds, drops, or a withdrawal. Contact the Registrar's Office if your name is not on a class roll.

Diploma Name: This name must be consistent with USF student records. A change of name must be submitted on a Change of Name Form with substantiating documents and attached to your application if the name you wish on your diploma is other than on USF records. It is critical that you clearly indicate upper/lower case letters, accents and punctuation.

Diploma Address: Your diploma will be mailed approximately eight weeks *after* the graduation date to your diploma address, number 3 on the application. (This delivery date may be adjusted due to University closure.)

Financial Obligations: Outstanding balances must be cleared or your diploma will be held upon request of the Cashier.

NDSL Loans: Exit interview is required. Diploma will be held for failure to comply with this Financial Aid requirement.

Transcripts: Transcripts with the degree comments may be ordered for a fee approximately six weeks *after* graduation.

Commencement ceremony information is at www.usf.edu/commencement. An application for degree must be submitted to your college advising office regardless of participation in the commencement ceremony.

Privacy: If you placed your records on privacy and you wish to participate and be listed in the commencement brochure, you **must** notify the Registrar's Office in writing by the fourth week of the degree term.

Graduate Students must maintain an overall grade point average of 3.000 or higher. Therefore, graduate students are not recognized for academic honors at commencement based on GPA.

Registration: A ceremony information postcard containing ceremony times and dates will be mailed to your permanent address three weeks following the graduation application deadline. The postcard contains e-mail addresses, websites and telephone numbers for additional graduation and commencement information. Students participating in commencement ceremonies are doing so before graduation certification is finalized. All potential graduates are subject to final approval or denial by the College of their major. This final certification is not completed until after grades are posted and usually after ceremonies.
