

Semester Exchange

Oxford Brookes University, England

At Oxford Brookes University Business School you will find a dynamic and international community of more than 150 academic staff, 2,000 undergraduates and 500 postgraduate and research students. Oxford Brookes focuses on personal growth and success and is consistently applauded for the excellence of its learning and teaching. It practices a special 'Brookes blend' of critical enquiry with practical insight, of rigor with relevance. The university has a deep connection with the world of business, which ensures the relevance of its courses, the credibility of its staff and the career successes of its students.

For more information about the university please visit: www.business.brookes.ac.uk

How To Apply

All applications must go through the USF Education Abroad Office and the USF College of Business, not the host school. Exchange programs are competitive, and students must submit the following documents to the Education Abroad Office:

- ◆ Study Abroad Application Packet
- ◆ College Transcripts
- ◆ Personal Statement
- ◆ Letter of Recommendation

Students are advised to begin their application at least three months before the deadlines as the process of acquiring the documents can be cumbersome.
