## ***WELCOME TO THE AP SUMMER INSTITUTE AT USF!***

**Registration is now open for the Summer 2024 sessions of the  
Advanced Placement (AP) Summer Institute.**

The Advanced Placement (AP) Summer Institute is a College Board endorsed program that provides professional development to AP teachers. Through the Advanced Placement™ program, College Board provides a way for high school students to earn free college credits while taking high school courses.

As the world's largest host site of the AP Summer Institute, USF's program, hosted by the David C. Anchin Center for the Advancement of Teaching, offers more than 30 different course subject areas and welcomes over 1,000 attendees each year to USF's Tampa campus.

# WHY CHOOSE THE AP SUMMER INSTITUTE AT USF?

## There's an AP Subject for Everyone

With more than 30 courses on this summer's schedule, the AP Summer Institute at USF is the largest College Board endorsed program in the world!

## Learning and Leisure in the Tampa Bay Region

USF is minutes away from the world's most beautiful beaches, scenic historic districts, world-class shopping, and dynamic cultural institutions. Enjoy the outdoors year-round in this major metropolis on Florida's west coast. The region offers plenty of sunshine, arts and entertainment, shopping and dining, and an annual average temperature of 72 degrees.

## Network with Educators from Across the Globe

We welcome more than 1,000 teachers from various states and countries to our AP Summer Institute. There are opportunities beyond the classroom for attendees to network with one another about what they're learning and how they can apply it in their schools.

## Providing a Quality Experience for Hundreds of Attendees

Our attendees leave feeling satisfied and reenergized for the upcoming school year. We're committed to ensuring that you have a quality experience during the AP Summer Institute, and we're here to help with answering your questions and helping you plan your experience.
