If a course has one of the restrictions listed above, it will be noted on the Class Schedule Search.

Links for permits for common courses are listed below:

Requesting Course Substitutions for Foundations of Knowledge and Learning

To have FKL prerequisite course(s) considered for substitution, please email the appropriate advisor with the following information:

- Course in question (e.g. ENG 101)
- Course description from the previous institution's academic catalog (HCC 2004)
- Course equivalent at USF (e.g. ENG 101 for ENC 1101)

If you are a transfer student with education courses, it is **required** that you **make an appointment with an academic advisor** and complete a [COEDU Undergraduate Course Substitution](#) form.

Skills Test Information

All applicants to teacher preparation programs must pass all sections of the General Knowledge Test (GKT) and submit official passing scores with application to the College of Education. It can take up to eight weeks to receive official scores.

Register for the GKT here: http://www.fl.nesinc.com/FL_register.asp.

Additional University Academic Requirements

The opposite side of this checklist outlines the requirements, both course and non-course, for admission into the College of Education. In addition to those outlined are the following University requirements:

6A Communication

All undergraduates are required to take **four** courses identified as 6A Communication courses and earn a C- or better in each. **ENC 1101 and 1102 fulfill two of the four courses needed.**

Although some majors include 6A Communication courses within the upper-level program, the University requires you satisfy this requirement within your first 60 hours of coursework, and advisors strongly recommend you take them prior to admission to the College.

Foreign Language Entrance Requirement (FLENT)

Students pursuing a Bachelor of Science degree must demonstrate competency in a foreign language, through either two years of the same foreign language at the high school level or two semesters at the college level. Students pursuing a Bachelor of Arts degree have additional foreign language requirements.
