**Registration**

**Prerequisites** are courses that must be taken before another course.

**Corequisites** are courses that must be taken during the same term.

**Permits** must be requested prior to registering for some courses.

If a course has one of the restrictions listed above, it will be noted on the Class Schedule Search.

Links for permits for common courses are listed below:
- Anatomy & Physiology in the College of Nursing: http://health.usf.edu/nursing/resources/permitreq.html
- Chemistry: http://chemistry.usf.edu/advising/permits/
- Physics: http://physics.usf.edu/forms/permit.aspx

A permit does not register you for courses. Visit OASIS to verify if permits have been issued.

**Requesting Course Substitutions for Foundations of Knowledge and Learning**

To have FKL prerequisite course(s) considered for substitution, please email the appropriate advisor with the following information:
- Course in question (e.g. ENG 101)
- Course description from the previous institution’s academic catalog (HCC 2004)
- Course equivalent at USF (e.g. ENG 101 for ENC 1101)

If you are a transfer student with education courses, it is required that you make an appointment with an academic advisor and complete a COEDU Undergraduate Course Substitution form.

---

**Skills Test Information**

All applicants to teacher preparation programs must pass all sections of the General Knowledge Test (GKT) and submit official passing scores with application to the College of Education. It can take up to eight weeks to receive official scores.

Register for the GKT here: http://www.fl.nesinc.com/FL_register.asp.

**Additional University Academic Requirements**

The opposite side of this checklist outlines the requirements, both course and non-course, for admission into the College of Education. In addition to those outlined are the following University requirements:

- **6A Communication**
  - All undergraduates are required to take four courses identified as 6A Communication courses and earn a C- or better in each. ENC 1101 and 1102 fulfill two of the four courses needed.

  Although some majors include 6A Communication courses within the upper-level program, the University requires you satisfy this requirement within your first 60 hours of coursework, and advisors strongly recommend you take them prior to admission to the College.

- **Foreign Language Entrance Requirement (FLENT)**
  - Students pursuing a Bachelor of Science degree must demonstrate competency in a foreign language, through either two years of the same foreign language at the high school level or two semesters at the college level. Students pursuing a Bachelor of Arts degree have additional foreign language requirements.

---

**International Diversity Focus Courses**

International Diversity Focus (or Section H3) courses (see opposite side of checklist) can be cross-listed for courses in other categories:

- **Section C2 (FKL Physical Science)**: GEO 2371: Introduction to Earth Systems Science
- **Section D (FKL Social & Behavioral Sciences)**: ANT 2000: Introduction to Anthropology, SYG 2000: Introduction to Sociology
- **Section E2 (FKL Fine Arts)**: MUH 2051: Folk and Traditional Music of World Cultures
- **Section F (FKL Human & Cultural Diversity in a Global Context)**: One Section H3 course can be cross-listed for any course in Section F.

---

**Apply to the College of Education!**

Students must submit an application to the College of Education: this is separate from the application to the University of South Florida. Some programs are limited access and may have different admission restrictions.

In addition to the College of Education admission requirements listed on both sides of this checklist, applicants to the following programs must adhere to additional requirements and include supplemental materials with their applications:

- Elementary Education Teacher Residency
- Middle Grades Mathematics Education
- Middle Grades Science Education

See your academic advisor and the individual program websites for detailed information.
