Hillsborough County Board of County Commissioners

Wednesday, August 30, 2017

4:00 - 5:00 pm

PHC 1023C

**Hillsborough
County** Florida

Biography:

Mr. Weiss graduated from Texas A&M University at Corpus Christi with a B.S. in Geology. He later earned a MBA from Saint Leo University. He is a registered geologist in the state of Florida and has over twenty years of management and executive leadership experience in the water resources industry. His duties have involved managing water, wastewater, reclaimed water and solid waste utility services, while working with local and state boards. Mr. Weiss is currently a Division Director for the Reclaimed Water and Discharge Elimination Division for Hillsborough County, where he oversees more than 270 personnel in various groups, such as client/customer support, environmental support and enforcement, and engineering. Mr. Weiss is an active member of leadership in the Tampa Bay area and has been recognized by the state for his efforts in protecting and improving water resources.

This seminar series is hosted by the Department of Environmental & Occupational Health and the Department of Civil & Environmental Engineering. Please contact Prof. Amy Stuart (als@usf.edu) with questions.
