

### Frank Alexander '14 PhD Receives Geneva Foundation Postdoctoral Fellowship

Frank Alexander, Jr., a 2014 PhD graduate, has received a postdoctoral fellowship at Walter Reed National Medical Center in Bethesda, MD. Sponsored by the Geneva Foundation, Alexander will work on developing artificial cornea constructs with embedded sensors for surgical training.

While at USF, Alexander awards included an NSF Graduate Research Fellowship, Whitaker International Fellowship, and NSF FGLSAMP Bridge to the Doctorate Fellowship. Alexander was advised by Andrew Hoff, professor and graduate program director and Shekhar Bhansali, chair and professor in the Department of Electrical and Computer Engineering at Florida International University.

Congratulations, Dr. Alexander!
