

EE students receive IEEE Power and Energy Society (PES) Scholarship Plus Initiative

## IEEE Power & Energy Society **SCHOLARSHIP PLUS INITIATIVE®**

*Preparing the Next Generation of Power & Energy Engineers*

Four undergraduate students in Electrical Engineering were selected to receive \$2000 scholarships this year from the IEEE Power and Energy Society. Two Hundred and thirty (230) PES Scholarship recipients were selected from 110 U.S., Puerto Rico & Canadian universities for the 2016-17 academic year. The Initiative recognizes undergraduate students who have declared a major in electrical and computer engineering, are high achievers with strong GPAs with distinctive extracurricular commitments and are committed to exploring the power and energy field.

This year's awardees were **Christopher Noah, Tristan Siebold, Kyle Swezey** and **Alexander Tremper**. Congratulations to all of these students for their hard work and dedication to the power and energy field.
