TAMPA, FL. (June 6, 2015) - Dr. Dubey (Center), ME Department Chair, and Dr. Kaw (Left), ME Professor, and Professional Engineers joined the student section of American Society of Mechanical Engineers (ASME) for a fun cookout at USF's Riverfront Park on June 6th 2015. ASME does semester cookouts at USF's Riverfront to join Faculty, Staff, Students, and Professionals for fun social interactions! It encourages networking and involvement in a relaxing environment outside of school work. You can visit the student organizations Facebook page at: https://www.facebook.com/ASMEatUSF
