Dear USF Students,

The Campus Traditions Board invites you to celebrate our Homecoming traditions at the University of South Florida! Thank you for your interest in participating in the team competition portion of Homecoming XXI. All current students are welcome to participate with student organizations or form their own teams for the week's competitions. This handbook includes the guidelines and important information needed to compete in our friendly competitions this year. Our theme for this year is **"Our Week. Our Homecoming. Our USF. Bulls Unite."**

It is extremely important that the information provided in this handbook be communicated to your fellow team members. Please review this handbook with **ALL** of your team members. If you have any questions please feel free to email us at [Ebarajas@usf.edu](mailto:Ebarajas@usf.edu) or [jordenirby@usf.edu](mailto:jordenirby@usf.edu) or stop by the Center for Student Involvement located in MSC 2306.

We encourage the participation of all student organizations and/or individual students. Please keep in mind that Homecoming teams consist of a maximum of three organizations and must contain at least three students who identify as men and three students who identify as women. The remainder of your team can be any gender. The entire team can also only have a maximum of twenty students. If you do not have a team to join, you may register as a free agent and we will do our best to add you to an existing team!

**Each organization on a team will have a designated team captain.** Team captains will be required to register in advance before the remainder of the team members can register. Team members can register via BullSync once the team captain has registered. Click [here](#) to register as a team member. **Registration for team captains, team members, and free agents, closes Friday, September 22 at 11:59 PM.**
