WELCOME TO WOW + Fifty Days

Welcome to the University of South Florida! The Week of Welcome (WOW) & First Fifty Days (FFD) event series are campus-wide programs that aim to make you feel at home. WOW and FFD are packed with social, informative, academic events and activities, providing you with the chance to meet and interact with other students, faculty, and staff.

NEW STUDENT CONNECTIONS

College is one of the greatest adventures you’ll ever experience – make sure you don’t do it alone! New Student Connections (NSC) is here to help you meet new friends and discover your place on campus. NSC supports your successful transition to college by creating shared experiences that connect you to the USF community. Let NSC make your first year fantastic! Contact us at usf.edu/newstudent.

As an ethical community, the University of South Florida is dedicated to the ideals of excellence in student development, academic learning, scholarship and research. By joining this community, each member is expected to accept and live these commitments.

**I resolve to maintain the honor and integrity of the university community in pursuit of student development, academic learning, scholarship and research.**

**Living the Commitment:** A commitment to this resolution upholds our core values of honesty, diligence and trust within our academic and professional lives. This means that authentic and sincere efforts motivate our work while we strive for genuine, trustworthy interactions.

**I resolve to respect the dignity and intrinsic value of all persons.**

**Living the Commitment:** A commitment to this resolution requires appreciation for another’s personal right to explore freely, to express oneself responsibly, and to participate actively in building an environment of mutual respect and inclusion for each individual. This means that we will support equal rights and opportunities for all people, while exhibiting behaviors which are compassionate and considerate to others.

**I resolve to contribute to the progress and greater good of the community.**

**Living the Commitment:** A commitment to this resolution motivates us to serve the University with words and actions that generate a positive impact on the future of the whole community. This means that active and creative thought and contributions within a collegial environment will expand both the nature and scope of knowledge and the quality of community life.

**I resolve to strive for excellence and discovery for myself, others, and the University.**

**Living the Commitment:** A commitment to this resolution confirms the shared values that make the University a strong community. We hold high expectations for our own academic and professional work. Concurrently, we endeavor to support the success of others as we all seek to contribute to the mission of the University.
