Repayment for Dropped/Withdrawn Courses funded by Bright Futures: A student receiving Bright Futures in or after Fall Semester 2009 will be required to repay Bright Futures for any course dropped or withdrawn unless an exception is recommended. The University of South Florida will only grant exceptions for documented, verifiable illness or emergency beyond the student’s control approved by the Academic Regulations Committee (ARC). NOTE: Repayment for dropped or withdrawn courses is required to renew a Bright Futures award for a subsequent academic year in addition to the normal Bright Futures Renewal Requirements. Students with an unpaid balance for dropped/withdrawn courses will automatically be placed on a registration hold.

Registration Agreement

In addition to the University of South Florida Policies, I agree to the following:

1. I agree to officially register and that I am responsible for knowing and complying with any and all registration deadline dates.
2. I agree to pay my account charges pursuant to USF policies. I understand the University does not send bills and I am responsible to view my student OASIS.
3. I agree to give the USF and our agent’s permission to contact me on the cellphone number I provide.
4. I agree to update USF when I change my Address or phone number within 7 days of such change.

Any reduction in Financial Aid may result in a balance due to the University of South Florida.
6. In the event of a default in payment, I agree to pay the amount owed and to reimburse the University the fees of any collection agency, which may be based on a percentage at a maximum of 33% of the debt, and all costs and expenses, including reasonable attorneys’ fees we incur in such collection efforts.
