ABOUT USF

Founded in 1956, the University of South Florida was established as the first public university to specifically address the needs of Florida’s rapidly emerging urban regions. Beginning with 2,000 students and five buildings, today the USF System serves more than 48,000 students with three separately accredited institutions in Tampa, St. Petersburg and Sarasota-Manatee. The USF System has an annual budget of $1.5 billion and an annual economic impact of $4.4 billion.
