** When there is more than one option listed, please consult your advisor to select the most appropriate course for you and your career goals.

The following course sequence is a guideline for completion of requirements of the A.A. and prerequisite courses. A unique plan developed in consultation with an advisor at both HCC and USF may differ depending on student circumstances. Financial Aid will only cover 60 credits for an AA degree.

Start Hillsborough Community College

YEAR 1 HCC
FALL
ENC 1101                  3
MAC 1105                  3
CHM 1025/L (or test out)  4
CGS 1000 (or test out)    3

TOTAL: 13

SPRING
ENC 1102                  3
MAC 1147                  4
CHM 2045/L                4
Behavioral Science Gen. Ed. 3

TOTAL: 15

SUMMER

Humanities               3
Behavioral/Hist./Econ. Gen. Ed. 3
IDS 2891                 1

TOTAL: 11

*Graduate with A.A. from HCC*
***YEAR 2 Fall/Spring***
USF application should be submitted by early spring of year 2 (or last term of year leading into intended transfer) to ensure timely review.
**The following is additional information for the Biomedical Sciences major:**

- If all pre-requisite courses outlined in the first two years are not completed before transferring to USF students should expect to spend longer than two years at USF to finish their bachelor’s degree.
- This major is a great option for those students who want to pursue a health profession school after graduation such as medical school, veterinary school, dental school, physical therapy school, physician assistant, etc.
- Students should not take MCB2000/L or MAC2233 at the state college institution.
- Classes for this major are only offered in person and mostly during the afternoon.

**Students interested in the biomedical sciences major may contact chemadvise@usf.edu**

**For general transfer advising inquiries please contact transfer-advising@usf.edu**
