Middlesex University, England

Middlesex University has 35,000 students on Middlesex campuses in London, Dubai, Mauritius and with partners across the world. It has a reputation for the highest quality teaching, research that makes a real difference to people’s lives and a practical, innovative approach to working with businesses to develop staff potential and provide solutions to business issues. Middlesex invests in expert staff and state of the art learning and research facilities. Researchers teach and teachers research, applying internationally-rated research and real life issues to the classroom, ensuring learning is practical and relevant. The university also works with businesses and organizations to develop solutions to grow.

How To Apply

All applications must go through the USF Education Abroad Office and the USF College of Business, not the host school. Exchange programs are competitive, and students must submit the following documents to the Education Abroad Office:

- Study Abroad Application Packet
- Personal Statement
- College Transcripts
- Letter of Recommendation

Students are advised to begin their application at least three months before the deadlines as the process of acquiring the documents can be cumbersome.
