Motto
Best place to live. Best place to work. Best place to learn.

Commitment to Diversity
The Department of Housing & Residential Education works in the promotion of a healthy living and learning environment within an inclusive community and does not discriminate on the basis of a person’s race, color, gender, religion, creed, national origin, disability, marital status, disabled veteran status or sexual orientation. Housing & Residential Education strives to create a supportive and constructive environment in which everyone feels free and comfortable to contribute to the community. This can only be accomplished when multicultural understanding exists. To experience growth, we must allow ourselves to incorporate new perspectives into our framework, despite the discomfort this may initially cause. With this in mind, Housing & Residential Education will provide opportunities for you to share your experiences, values and beliefs, and to hear the same of others. In turn, we ask that you work with us to create a safe, supportive environment that will allow assumptions, biases, and prejudices to be identified and challenged.

Disability and Accommodations
For reasonable accommodations within the living environment or programs, please contact the Residence Life Coordinator or Assistant Residence Life Coordinator.

Commitment to Community
The Department of Housing & Residential Education employs a Residential Curriculum to provide a holistic learning experience. GUESTS – Reference SCC 4.21 and 4.23
You are responsible for the conduct of your guests, regardless of who they are, when they are present in housing. If you intend to have visitors or guests in the hall, be aware that you may be subject to disciplinary action because of their behavior. Additionally, residence hall staff members reserve the right to ask any non-resident to leave the residence halls.

ACTIVITIES WITHIN YOUR ROOM
Along with your roommate, you are fully responsible for all activities that occur in your room. Even if you are not actively involved in a policy violation, you may still be held responsible if you are present during a violation, or if you give others access to your room. Therefore, you should always lock your room when you leave, even if you leave for only a few minutes. This will prevent others from committing violations in your room without your knowledge. It is your responsibility to put an end to any violation that occurs in your room, and to call Housing staff and/or University Police if you need assistance.

ROOMMATE AGREEMENT – Reference SCC 4.21
All residents are required to complete a roommate agreement at the beginning of the assignment into their room. Resident assistants and community managers will use the roommate agreement to open a discussion with each resident, and address any real and/or potential roommate conflicts. VANDALISM – Reference SCC 4.02
It is not acceptable to deface, damage, or destroy property, including but not limited to: personal property, bulletin boards, lounge areas, bathroom facilities, and other common areas.

VISITATION – Reference SCC 4.21
Visitation is considered a privilege. A resident’s right to comfortably study, sleep, and have privacy in their room or apartment at any time takes priority over any resident’s ability to host a guest. A resident’s request for any guest to leave at any time must be honored. The safety and security of a comfortable environment could be compromised if unwanted guests are present, or if guests refuse to leave because they are visiting within posted visitation hours. Guests must be escorted by a resident at all times.

Visitation is defined as periodic visits of guests and does not encompass cohabitation in a room, suite or apartment as each space in university housing may be occupied only by the student to whom it is assigned. Residents are not permitted to loan keys or access cards to guests at any time. Only visitors of the same sex are permitted to spend the night and must have the explicit consent of the roommate beforehand. However, even with consent, no visitor may stay more than 3 nights in a 30-day period.
All residents will have the opportunity to vote for one of three guest visitation policy choices at the beginning of the Fall Semester.

1) No guest visitation.
2) Guest visitation between 10:00am and 2:00am, Monday through Thursday with weekend guest visitation beginning at 10:00am Friday and continuing until 2:00am Monday.
3) 24 hours a day/seven days a week guest visitation. Visitations within student rooms must be determined by mutual agreement among roommates.

Weapons – Reference SCC 4.04 and 4.13
No weapons of any kind are permitted in any residential facility. Residents who bring anything deemed to be a weapon into the residence halls are subject to disciplinary action, including suspension of their housing contract.

Windows / Screens – Reference SCC 4.21
For your safety and security, the opening of windows is not permitted in the Andros Complex. Open windows also have a detrimental effect on the air conditioning for the building. Each window has been sealed to prevent water intrusion. In other buildings windows can be opened by residents; however, residents should keep personal security in mind. Windows may only be used as a means to enter and exit a building in an emergency. Window screens are never to be removed from the window.

SECTION 3: ADMINISTRATIVE PROCESSES AND PROCEDURES

Abandoned Property
Belongings left in one’s room/suite/apartment, or within common areas of the residence halls, after the contract period ends or the contract is cancelled are classified as abandoned property. Residents have 30 days to claim their property. After 30 days, the University reserves the right to dispose of all abandoned property.

Communications from the University
You are responsible for checking your resident mailbox and your USF e-mail account frequently. These are the methods by which the University and Housing & Residential Education will contact you for official business. Failure to check these University-issued communication sites does not exempt you from any information delivered to them.

Furthermore, Floor and Hall meetings are held at the beginning of each semester and periodically as needed. Floor and Hall meetings are for your benefit, and as a member of the community. You are responsible for attending all meetings. If you are unable to attend a meeting, you should contact your RA for a summary of anything that you missed.

Contract Cancellation
Please refer to the Terms and Conditions of your housing contract for information regarding cancellation fees and deadlines. There are specific dates by which you can cancel and corresponding fees depending on the date you cancel your contract. Students wishing to cancel their contract should refer to http://www.housing.usf.edu/resources/forms/ or visit with the Assignments Office team located in Argos Center.

Check Outs
Residents will be provided with specific checkout information from RA/CM before each closing period. Students should refer to this information for more specific details regarding their responsibilities.

When you are checking out because you will no longer be living in the room (end of year, room change or contract cancellation) you must vacate your room, check out and sign off on your Room Condition Report (RCR) with your RA, and return your keys and a copy of your RCR to your area desk (either Holly M or Juniper-Poplar) by midnight on your effective date of cancellation. Failure to do so will result in a charge for improper check out.

Vacating the Residence Halls
All residents must vacate the residence halls within 24 hours of their last final exam with the exception of graduating seniors. Graduating Seniors must receive permission from their Residence Life Coordinator or Assistant RLC to extend their residence until after commencement. Residents may leave items in rooms during breaks between academic semesters, but may not occupy their rooms during the break time unless their specific residence hall is designated as “open.” If wishing to stay in an open building, you must request permission in advance (http://www.housing.usf.edu/resources/forms/)

Residents who are not registered for classes will be required to vacate the halls/apartments within 24 hours.

Furniture
All furniture assigned to student rooms, apartments, floor lounges, and other public areas must remain in their appropriate locations. The removal of University furniture from student rooms and/or public areas is prohibited. Residents are responsible for the proper care of University furniture, and will be charged for any damages, repair and replacement costs at checkout. All furniture belonging to residents must be removed from campus prior to checkout time. Furniture left will be subject to removal at the resident’s expense.

Room Condition Report (RCR)
Before residents arrive their room/floor/apartment is inspected, and the condition is noted on a room condition report form. All residents are given a copy of the report form and have the opportunity to make any additions or corrections to it in conjunction with the resident assistant or community manager. This process should occur and the form returned within the first 24 hours of occupancy. This room condition report form will be used at the time of check out, during which housing staff members will compare the condition of the room and furniture noted on the form to the condition at check out. Residents should carefully examine their room/living unit and save the copy of the room condition report form. It is to the student’s benefit to be very descriptive of the condition of their room/apartment and its contents, noting any marks, holes, tears, etc. Failure to turn in a copy of the inventory form by the 24 hour deadline will result in the assumption that they are in complete agreement with the assessment on the original report form, which will then be used at the time of check.

Room Access
All due respect is given to the privacy that residents enjoy in their rooms. Occasionally, circumstances present themselves which necessitate authorized University personnel to enter student rooms for the purpose of repair and maintenance, assessment of damages, inventory of University property, determination of compliance with University policies, and emergencies where imminent danger to life, safety, health is reasonably suspected. When possible, advance notice will be given to residents. Submitting a work request authorizes maintenance personnel to enter your room.

Room and Roommate Changes
Housing & Residential Education assigns rooms and roommates. Unfortunately, it is not always possible to give everyone his or her first choice. The staff reserves the right to make assignments and changes as necessary.

• No roommate changes will be made during the first two weeks of each semester.
• Students are encouraged to first talk with their RA before asking for a room change.
• In cases where no such resolution seems possible, the students should consult with their RA for assistance.
• The RA, Residence Life Coordinator or Assistant Residence Life Coordinator will mediate and attempt to resolve the situation.
• If the situation cannot be resolved at this level, the Residence Life Coordinator or Assistant Residence Life Coordinator can approve a room change.
• Room change authorizations will be facilitated via the Housing website.
• All room changes will result in a change of address. Moving residents are responsible for knowing and checking their new mailbox upon completion of their move.
• Residents will be provided with a timeline that indicates the dates they are allowed to move.

Room Personalization
We encourage you to use your creativity and ingenuity to make your room as comfortable as possible. Below are guidelines for room personalization to keep maintenance problems to a minimum and/or to save you money at checkout time by avoiding unnecessary charges resulting from damages to the room.

• No physical alterations are to be made to any part of the building. Residents may not remove or relocate the fixtures, switches, outlets, closet or cabinet doors, fixed dressers, beds, desks, or any other fixed items in the room, suite or building.
• Nails may not be driven into the walls. Contact paper is not to be used. Remember, assessments will be
made for the full amount to replace any furniture or room accessories that are damaged or missing at time of check-out
• Room Painting Program: If you believe that your room needs to be painted, you should submit a work request. Facilities staff will evaluate each request and paint where necessary.
• Waterbeds: Due to the chance of water damage and because of their excess weight, waterbeds are not permitted.
• Raised Beds/Loft Kits: Materials to raise your bed may be available in Kosove, Beta, Castor, and Greek Village. See your Residence Life Coordinator or Assistant RLC for more information. We have a limited quantity; not every resident will be able to raise their bed.
• "Junior Loft" type beds found in Juniper and Poplar halls may have the height adjusted. Residents wishing to change the height must submit a work request for maintenance to adjust the height.

SECTION 4: CONDUCT PROCESS
Please visit the Student Rights and Responsibilities website for information: http://www.sa.usf.edu/SRR/

SECTION 5: SERVICES
By being aware of the services provided as well as procedures for utilizing your services, living on campus can be convenient and fun. Please be aware of the following procedures and services and utilize them to your advantage.

Air Conditioning and Heating
Juniper, Poplar, and Maple Halls:
Energy efficient thermostat systems are in place that adjust the temperature as occupancy changes. When the room is unoccupied, the temperature will adjust to be more energy efficient, as when residents return, the system will adjust the temperature to within the set range, pre-programmed to maximize comfort, control moisture and reduce energy consumption. These thermostats were installed in 2013 in Juniper as part of the Student Green Energy Fund, and in 2015 in Poplar and Maple halls.

Castor and Beta Halls:
Each room has its own thermostat and fan control. For best results, set the control on “Medium” (please do not turn the fan off). Themostat is located in one of the four rooms in the suite. For optimal comfort and humidity control, it is recommended to set the thermostat on 72-75 degrees. Keep your heating and air-conditioning unit functioning properly, do not block access to the air-handling unit. The panel at the bottom of your unit must be kept clean to allow air to circulate through the system and to allow access to the system.

The Housing Facilities staff will visit your room every 6 to 8 weeks to change the air conditioning unit filter. TIP: Keep your room and the air conditioning unit filter clean and functional. This will assist in maintaining good airflow as well as creating a healthier, more pleasant living environment.

Andros Area:
Each suite of four rooms shares one air-conditioner. The fan control is located in one of the study areas (except in Kappa, Iota, Lambda and Theta which have no fan control). Please keep the fan on “Medium” (do not turn the fan off). The thermostat is located in one of the four rooms in the suite. For optimal comfort and humidity control, it is recommended to set the thermostat on 72-75 degrees. Housing maintenance staff will change the air conditioning filter every 6 to 8 weeks. Hallways and corridor temperatures are set by the Housing Facilities staff.

Cypress Apartments, Cypress Suites, Holly, Kosove, and Magnolia Apartments:
Each apartment/suite has its own air-conditioning unit and allows for residents to adjust the temperature within a maximum and minimum range. For best performance, keep the window and door closed, and control the temperature with the thermostat dial. Housing facilities staff will change filters every 6 to 8 weeks. Common Area temperatures are set by the Housing Facilities staff.

Greek Village
Each floor has its own air conditioner. The filters are located on the first floor and will be changed every two to three weeks by Housing facilities staff. Thermostats are located in the hallways and living rooms, allowing residents a range within a maximum and minimum temperature.

Bicycle Security
Bicycle racks are provided in each housing complex for bicycle security. Please see that your bike is securely fastened to the rack to avoid theft. To avoid electrical hazards and to maintain a clean pass, bicycles should never be hung on walls or stairway railings. The University Police provide engraving services to make identification easy should your bicycle be stolen. Bicycle registration is available to students at NO CHARGE from USF Parking Services and University Police.

Bulletin Boards
Your RA will keep you informed by posting information on hall bulletin boards. Centrally located boards are also kept up to date. To place information on a bulletin board, you must obtain permission from your Residence Life Coordinator.

TV / Cable / HBO / Philo
All rooms are wired to receive all channels on the Housing & Residential Education cable TV system (see http://www.housing.usf.edu/resources/tv/ for a channel guide). HBO Go and Philo were new services added for on-campus residents in 2015.

Computer Connections
Ethernet connections for access to the Internet and University computing services are provided at no additional charge in all rooms. Using the Ethernet connections requires specialized hardware and software for your computer. If you need assistance with your Ethernet connection, please contact the IT Help Desk at (813) 974-1222.

Emergency Procedures & Inclement Weather Information
For all emergency situations (Bomb threats, Hurricanes, tornados, emergency evacuations, etc.), residents should refer to MoBull messenger, resident assistants, community managers, Residence Life Coordinator or Assistant Residence Life Coordinator. In addition, residents can contact the USF Police department at (813) 974-2628 (http://www.usfpd.usf.edu/).

Facilities Management
An assigned Housekeeper or Maintenance Technician will respond to repair and address problems in your room or suite only upon written request. Report any necessary repairs on a Work Request, which can be found at http://www.housing.usf.edu/housingapps/schooldude/work.asp. Please contact the RA/CM On Call for your community for emergency requests after hours.

Hall Security and Access Cards
The exterior doors of each building are secured 24 hours a day. Card access is applied to each resident’s student ID at check-in so they may access their hall. It is the responsible use of access cards that makes any security system effective.

Laundry
Each community has centrally located laundry facilities. Washers cost $1.00 per load and dryers cost $1.00 for 45 minutes of drying time. Report any problems you encounter with the machines to Area Desk staff.

Lost or Stolen Keys
In the interest of your personal safety, it is the policy of Housing & Residential Education to re-core student rooms at the student’s expense if the room key is determined lost. If you lose your room key return it to your Area 24-Hour Desk (Holly M or Juniper/Poplar) immediately. A temporary key will be issued, and students are given until 9am the following day to return the temporary key before a charge and re-coreing is initiated. Re-coreing charges are not due up-front, they will be posted to your OASIS account. If your key cannot be found in the time allotted, you may contact your Residence Life Coordinator or Assistant Residence Life Coordinator to request that the temporary key period be extended.
These policies also apply to temporary access cards that are issued for the outside doors. If you are issued a temporary access card, it must be returned to Holly M/Juniper-Poplar desks within 72 hours.

If you believe your keys have been stolen, contact the University Police at 813-974-2628 to fill out a police report. You are responsible for the cost of re-core your room even if your keys have been stolen.

Mail
Every resident on campus has an assigned mailbox. Mailbox numbers and corresponding combinations will be distributed upon arrival or can be retrieved at your area mail room by showing USF ID. Incoming mail is first delivered to the Physical Plant on campus, and then distributed to the mailrooms for each area Monday-Friday. Packages are delivered by the appropriate service provider Monday-Saturday, directly to area mailrooms.

Mailboxes are sometimes shared by two students and are assigned based on room assignment. If a student changes their room assignment, their mailbox/address changes and they will need to change their address/re-direct incoming mail. Please check your mail on a regular basis.

Recreation
The housing areas have a centrally located pool, picnic area, and sand volleyball court for the enjoyment of residents and guests.

Andros and Argos have basketball and volleyball courts for recreational use. Courts and outside picnic areas must be reserved for exclusive programs through the appropriate Residence Life Coordinator.

The Andros Pool may be reserved through the Campus Recreation Department.

Telephones
Residents who wish to activate the land-line phone service in their room should visit http://www.housing.usf.edu/resources/forms/ to obtain the phone service activation form and read more about the connection process. Connection and monthly usage charges will apply.
