About the Program

The Tillman Military Scholars program supports our nation’s active and veteran servicemembers and their spouses by removing financial barriers to completing a degree program of choice. The scholarships cover not only direct study-related expenses such as tuition and fees, but also other needs, including housing and child care.

In 2011, USF was selected by the Pat Tillman Foundation to be a University Partner. This partnership allows USF students to compete against a significantly smaller pool of applicants.

In the past four years, 12 USF student veterans were selected to be Tillman Military Scholars and were awarded $341,000 collectively in renewable scholarship funds over a four year period.

Eligibility

Veterans, Active Duty Members, and their spouses (including surviving spouses) from all branches of the military (including the National Guard and Reserves), seeking assistance to pursue an undergraduate, graduate, or post graduate degree as a full time student at a four-year public or private accredited institution, are eligible.

Application Dates

Registration opens on February 3 and closes March 3, 2015.
