In your words, describe the equipment, commodity, or contractual service. Explain how these specifications are essential to the accomplishment of your work:

Contractual service of Ophthalmology specialist to review files collected under regular required assessments of participants in the TN22 study to monitor for potential adverse events associated with the Hydroxychloroquine treatment.

In your own words, describe the reason(s) the item is not subject to competition from other sources and how the stated specification(s) restrict the requisition to only one supplier. Description may include unique features/compatibility/specifications/availability/delivery time frame etc. (Note: Price is not a valid reason).

Contractor has expertise in assessment of Hydroxychloroquine associated ophthalmologic adverse events. Others with such expertise were utilized in a smaller role within the study, but the selected Contractor was the only available expert with the capacity to fulfill this larger role in the study.

In your own words, describe the due diligence conducted to validate this supplier as Single Source. Description SHOULD list all other suppliers with item(s)/service(s) with similar functions, your efforts to identify other suppliers, and why these suppliers would not qualify to submit a competitive quote.

Dr. Michael Marmor and Dr. Kanwal Nischal hold similar expertise as Dr. Kunal Dansingani, but neither were available to commit to supporting the study in the capacity required.
