understanding, and skills to meet the demands of the current economy. Through integrated learning models, they bridge the gap between what students learn in the classroom and how it is applied in the real world.

The JA Finance Park gives students the opportunity to put the knowledge learned in class into action. During this half-day experience, students assume randomly assigned family and income scenarios and visit businesses to gather information for their personal financial decision-making. They utilize banking services and learn how to handle living expenses such as housing, transportation, insurance, and health care. They also learn to make investment decisions.

Volunteers at JA Finance Park provide students with information about different budget items, assist the students in balancing their budget, and help them to stay on task and focus on their personal goals. This experience impacts students lives by giving them the resources and confidence they need to succeed in the future. Thank you to the ASBC employees that volunteered at this event!

Reminders

USF offices close December 23 and reopen on January 2, 2019

We impact lives every day by exceeding expectations and creating WOW moments.”

The ASBC Gives Back

As we approach the end of the year, we often think of different ways we can give back. One of the best ways to give back is to donate your time.

The Administrative Services Business Center volunteers with the Junior Achievement Center of Tampa Bay twice a year. This year, ASBC volunteered at the JA Finance Park on November 21, and will be volunteering again in January of 2020.

In partnership with the education and business communities, Junior Achievement is transforming the student experience by bringing relevance, authenticity, and application into everyday learning to energize students about their future possibilities. The Junior Achievement center aims to equip this region’s youth with the confidence,
Annual Holiday Party
This year, the annual Central Services holiday party was held on December 11th in the Marshall Student Center Ballroom. The theme was “Come Flamingle for the Holidays”, and attendees were encouraged to “flamingle” with other employees they had not met before.

There was a photo booth area with various props. Raffles were done every 30 minutes and the prizes ranged from gift cards to baskets filled with chocolate to wireless earbuds. There was plenty of food, drinks, and desserts for all to enjoy. Many employees came decked out in holiday-themed attire and holiday music filled the air. You can find more photos from the holiday party on bit.ly/OASFacebook.

Welcoming New Additions

Dwayne Vasquez, Custodial Worker
Facilities Management

Demetrius Jones, Custodial Worker
Facilities Management

Andrea Mitchell, Custodial Worker
Facilities Management
