

## **USF Project No. 581: USF Football Center**

The Agreement for Design and Architecture/Engineering Services has been executed with Hellmuth, Obata & Kassabaum, Inc. (HOK, Inc.) for the professional services to design the USF Football Center complex.

A separate Qualifications-Based selection process will be implemented in accordance with Florida Statutes and FC BOG Regulation # 14.0055 in the future. Announcement of this selection shall be through the Florida Administrative Register and this web site.

We also request that CBE's register with the USF Office of Supplier Diversity.
