USF's parking garages, especially Beard Garage and Laurel Garage, usually have parking available and offer regular, convenient Bull Runner service to stops across campus. Lots 18, located off of Sycamore Dr., also has parking available and serve as a good option for those who typically park in the Yuengling Center lots. Additionally, after 5:30 pm and on weekends, cars with valid USF parking permits, with the exception of Park-N-Ride permits, may park out of their designated areas, excluding Resident and Reserved parking spaces.

As always, we appreciate your patience and cooperation. If you have any questions, please contact Parking & Transportation Services at psweb@usf.edu or (813) 974-3990.
