Exploratory Programs
Not sure what to major in? Attend this session offered by our Transitional Advising Center to learn how USF can help you determine a program of interest.
**WELCOME**

Hear from admissions staff, university leadership, and current USF students about what you can experience today on campus, and what USF can offer you. We’re thrilled that you’ve joined us today and are proud to welcome you to Bulls Country!

**ACADEMIC PRESENTATIONS**

**ACADEMIC INTEREST OPEN HOUSE**

Meet with representatives from the various academic programs within some of USF’s largest colleges. These open houses are ongoing, so you can also plan to attend a specific interest session or visit multiple programs.

**ACADEMIC INTEREST PRESENTATIONS**

Attend a presentation given by a program representative for specific majors offered at USF. Each presentation will be offered twice, giving you the opportunity to explore more than one program.

**UNIVERSITY SHOWCASE**

We have gathered numerous campus departments and student organizations in one location for you to talk with a representative one-on-one to discover how they can assist you as a USF student or how your participation might enrich your learning experience.

**SPECIAL INTEREST SESSIONS**

**THE ADMISSIONS PROCESS**

Learn more about the University of South Florida’s application process. We will discuss requirements, timelines, and how applications are reviewed.

**FINANCIAL AID & SCHOLARSHIPS**

How to finance a college education is often one of the most important topics for students and families. This session will provide you with information about scholarship opportunities, how to apply for financial aid, and the best timeline to follow when applying for these awards.

**THE FIRST YEAR EXPERIENCE FOR SCIENCE MAJORS**

Thinking of majoring in the sciences? Join the College of Arts & Sciences First-Year Science Academic Coaches to learn about the unique student experience for those who choose to pursue a degree in biology, chemistry, geosciences, math, physics, etc. This session will help you determine what you should be doing now to ensure and easier transition into a science track at the university level. We will also tackle common misconceptions and provide insight to what students can really expect during their first year!

**THE HOUSING & RESIDENTIAL EXPERIENCE**

Join us to learn more about the the residential experience at USF contributes to student success. We’ll discuss Living Learning Communities, Academic Initiatives, the application process, and what the advantages are to each style of housing.

**OUTREACH AND ACCESS AND SUMMER SUCCESS PROGRAMS**

This presentation will provide information about the University’s outreach & access initiatives and on-campus programming aimed at student success for students from first generation and/or limited income families.

**CURRENT USF STUDENT Q & A**

Want to know what it’s really like to be a Bull? Join current USF students for a panel discussion to get answers to all of your questions about student life.

**ONGOING ACTIVITIES**

**CAMPUS TOUR AND JUNIPER-POPLAR RESIDENCE HALL**

Come enjoy a walking tour of USF’s campus where you can see the Recreation Center, Library, Juniper-Poplar Residence Hall and many aspects of campus. Tours are given by our USF Green & Gold Guides and depart as groups assemble. Tours last approximately one hour; the last tour will depart at 2:00 PM.

**NORTH RESIDENTIAL AREA TOUR**

Learn more about living on campus and tour three types of residential communities available to students. This walking tour will last approximately one hour and will be given by current USF students; the last tour will depart at 2:00 PM.
