## Student Support Services 2021 Summer Program Checklist

---

Welcome to USF St. Petersburg campuses Student Support Services Program. Later this week, you will receive a letter in the mail describing the next steps to begin your transition to SSS this summer. In advance of that letter, we have sent this checklist to help begin the process. Please ignore any items or actions you've already addressed. Any outstanding items should be responded to as soon as possible to ensure your place in the SSS program at USF St. Petersburg campus. As always, if you have questions, do not hesitate to contact us.

### Step 1

- \_\_\_\_\_ **SSS Participation Agreement Form (attached)**
- \_\_\_\_\_ **Major Declaration and College Credit Form (attached)**

Submit the *Participation Agreement Form* **ASAP** to confirm your space in the program

### Step 2

- \_\_\_\_\_ **[Medical History Immunization Form](#)** – print, obtain your physician's signature and upload all documents via the **[Admissions Portal](#)**. To upload, login (right side of web page) and select My Workspace; then choose My Documents and upload your forms. You may also mail to: **University of South Florida St. Petersburg Campus, Wellness Center, 140 7th Ave. South, SLC 2200, St. Petersburg, FL 33701** or Fax: **(727) 873-4193** or Email: **[immunization@usfsp.edu](mailto:immunization@usfsp.edu)**
  - \_\_\_\_\_ **[Summer/Fall/Spring Housing](#) and [Dining Application](#)** – All SSS students are *required* to live on campus during the first year of the program. Student Support Services is a Living Learning Community (SSS LLC) that facilitates SSS programming, increases student persistence, and promotes student success. The SSS LLC also ensures costs remain at a minimal level because financial aid does not increase based on housing selection. When you complete your annual SSS housing contract you will select your dining options.

### Step 3

- \_\_\_\_\_ **[Register for Orientation](#)** – This year's Orientation consists of some Pre-Orientation activities followed by the virtual Orientation session on Monday, June 21<sup>st</sup>. Orientation is mandatory for all new USF students.

For instructions on the IRS Data Retrieval Process **[click here](#)**.
- \_\_\_\_\_ **[Wellness Modules](#)** – USF requires all first-year students to complete modules geared to help you with your transition to college. You must earn a score of 80% or higher in each module (with the exception of the Sexual Assault Prevention program, which is not scored). All modules must simply be completed by the deadline to successfully fulfill this first-year student requirement. There are three modules and their completion takes approximately five hours; thus, we strongly encourage you to not delay in fulfilling this requirement. Further instructions to access modules will be sent to you in May 2021.
