Courses Taught

Introduction to Anthropology	Southwestern Archaeology
Introduction to Cultural Anthropology	North American Archaeology
Introduction to Archaeology	South American Archaeology
Artifact Analysis	Mesoamerican Archaeology
Quantitative Methods	Maya, Aztec, Inka Archaeology
Advanced Quantitative Methods	Archaeology of Death and Burial
Ancient Cities and Sustainability	Artifact Identification

Current Research

Proyecto Chira in Peru. This is a project that I am just beginning. It will involve archaeological work and museum internships in the Chira Valley or northern Peru. The project will explore the impact of state expansion on the local political and economic organization of the valley during the Late Intermediate Period.
