### Required Chemistry Courses: 54 Total Credits

Please note that a grade of “C” or higher is required for all courses in the major.

**Upper-Division Residency Requirement:** At least 9 credit hours of major-applicable upper-level courses must be completed at USF.

### Required Supporting Courses: 22 Credits

It is suggested that B.S. students complete their Math and Physics requirements prior to their junior year.

**Mathematics Courses: 8 Credits**
- □ MAC 2311 Calculus I or MAC 2281 Engineering Calculus I
- □ MAC 2312 Calculus II or MAC 2282 Engineering Calculus II

**Physics Courses: 8 Credits**
- □ PHY 2048 & □ PHY 2048L Physics I and Lab
- □ PHY 2049 & □ PHY 2049L Physics II and Lab

**Required Natural Science Courses: 6 Credits**
- □ BSC 2010 Cellular Processes (3cr) **required**
  
  **AND**
  - □ One (3cr) 3000/40000 level course applicable to a major in a Natural Science or Engineering Department such as: Biology, Geology, Math, Physics, Environmental Science, etc.
  
  **OR**
  - □ One (3cr) 2000 level natural science course such as: BSC 2011, GLY 2010, EVR 2001, CGS 2060, EGN 2210

**Suggested Additional Electives – Do Not Count Towards The Major!**
- □ CHM 4932 Selected Topics in Chemistry (1-3cr)
- □ BCH 3023L Biochemistry Lab (2cr)
- □ CHM 4070 Historical Perspectives in Chemistry (3cr)
Students should regularly review their DegreeWorks audit to ensure they are on track to complete all graduation Requirements, and in preparation for all advising appointments.

If you are already declared as a Chemistry BS major, follow these steps to review your Degree Works report online:

Go to http://Degreeworks.usf.edu → Type in NetID and password →
View your degree audit! (DegreeWorks can also be accessed through Canvas and OASIS)

General Education Common Core & Additional USF Enhanced General Education courses:

- ENC 1101 (3cr)
- ENC 1102 (3cr)
- Gen Ed Core Humanities (3cr)
- Gen Ed Core Social/Behavioral Sciences (3cr)
  (Select from: AMH 2020, ANT 2000, ECO 2013, POS 2041, PSY 2012, and SYG 2000)
- Enhanced General Education – Creative Thinking (3cr)
- Enhanced General Education— Information & Data Literacy (3cr)
- Enhanced General Education – Human/Cultural Diversity (3cr)
- Enhanced General Education – Ethical Reasoning & Civic Engagement (3cr)
- Enhanced General Education—High Impact Practice (3cr)
- Civics Literacy Requirement
  Select from: AMH 2020: American History II (3cr) or POS 2041: American National Government (3cr)
  OR Complete the online Canvas test (pass with 60% or higher)

- 120 credits: A Bachelor’s degree requires a minimum of 120 credit hours.
- 42 upper level credits: If students are required to take at least 42 credits at the 3000 & 4000 level. Please note: The Chemistry BS major courses will satisfy 36 credits of the required 42 credits. Based on the number of upper level credits you have already taken, you have _____ upper level credits remaining, outside of the major courses.
- 9 credit summer rule: All students who enter USF with fewer than 60 credits are required to take at least 9 credits of course work in the summer at a State University System (SUS) 4-year University.
- 12 cr of Gordon Rule Writing ENC 1101 & ENC 1102, and two additional courses 
- FLENT: Foreign Language Entrance Requirement: All students must have two years of the same foreign language in high school. Students without this requirement must take two semesters of foreign language in college.

See the USF catalog for a complete list of graduation requirements. The final responsibility for meeting all graduation requirements stated in the catalog rests with the student. This sheet is not meant to be a complete list of University Graduation requirements.
