

FORM & TECHNIQUE

OF POETRY

CRW 3311 SPRING 2021 CRN 24695

ONLINE SYNCHRONOUS AND SWEET

In this lively introduction to reading and writing poems, we examine a diverse set of authors from around the globe. Weekly poetry prompts get you writing. Supportive, guided workshops help you improve your craft.

Wednesdays 5:00 pm – 7:45 pm ET

Each week we study a new **form**, including rap, blues, ghazals, sonnets, digital poetry, experiments and hybrids. You'll leave the course with a valuable toolkit of **techniques** you can use in every kind of writing, from novels to job application letters. No prior experience necessary. Weekly attendance required. This course and instructor are QM Online Certified. *Questions? Email Dr. Sellers: sellersh@usf.edu*
