

# ENC 4260

## Technical & Professional Capstone

**Spring 2020**

*Online Sessions:*

**MW 12:30-1:45 pm**

**Dr. Michael Shuman**

**A course focused on real-world projects, collaboration, and portfolio design.**

### **Collaborate**

*Take the first step toward your new career by collaborating on mission-critical, real-world projects that meet the needs of business and organizations serving the Tampa Bay area.*

### **Create**

*Integrate your accomplishments into a professional portfolio that will help you take that first step into an exciting career.*

### **Commit**

*See your advisor, Mike Stowe, to discuss how this class fits into your academic plans and to request a permit to register.*
