**XIII. General Education Statement (undergraduate only – Required if a Gen Ed course)**

This course is part of the University of South Florida's Enhanced General Education Curriculum. It is certified for *[list appropriate category]*. Students enrolled in this course will be asked to participate in the USF General Education assessment effort. This will involve submitting copies of writing assignments for review via Canvas.

**XIV. USF Core Syllabus Policies**

USF has a set of central policies related to student recording class sessions, academic integrity and grievances, student accessibility services, academic disruption, religious observances, academic continuity, food insecurity, and sexual harassment that **apply to all courses at USF**. Be sure to review these online at: <https://www.usf.edu/provost/faculty/core-syllabus-policy-statements.aspx>

**XV. Student Recordings**

Students may, without prior notice, record video or audio of a class lecture for a class in which the student is enrolled for their own personal, educational use. A class lecture is defined as a formal or methodical oral presentation as part of a university course intended to present information or teach enrolled students about a particular subject. Recording class activities other than class lectures, including but not limited to lab sessions, student presentations (whether individually or part of a group), class discussion, clinical presentations such as patient history, academic exercises involving student participation, test or examination administrations, field trips, private conversations between students in the class or between a student and the faculty member is prohibited. Recordings may not be used as a substitute for class participation and class attendance and may not be published or shared without the written consent of the faculty member. Failure to adhere to these requirements may constitute a violation of the [USF Student Conduct Code](#).

<https://www.usf.edu/provost/faculty/core-syllabus-policy-statements.aspx>

**XVI. Course Policies: Grades**

**Late Work Policy: Late work will receive the grade of zero -0-. I**

Late work IS NOT accepted without documentation of a medical or legal issue (directly related to the student).

There are no make-ups for in-class writing, quizzes, activities, or the final exam.

**If you plan to be absent, CONTACT ME to make arrangements to submit your work.**

**If you are unexpectedly absent due to a medical, legal, or other emergency, contact me via email to let me know (dkochman@usf.edu). We will discuss any necessary documentation, and I will decide new deadlines for missed work and provide you with an email outlining the new plan.**

**Bottom line: Stay in communication with me, so I can help you successfully complete this course!**

**Extra Credit Policy:**

**Extra Credit MAY BE made available to students throughout the semester.**

**Students must complete module quizzes & module discussions to receive EC points.**

**Grades of "Incomplete":**

The current university policy concerning incomplete grades will be followed in this course.

For undergraduate courses: An "I" grade may be awarded to a student only when a small portion of the student's work is incomplete and only when the student is otherwise earning a passing grade. The time limit for removing the "I" is to be set by the instructor of the course. For undergraduate students, this time limit may not exceed two academic semesters, whether or not the student is in residence, and/or graduation, whichever comes first. For graduate students, this time limit may not exceed one academic semester. "I" grades not removed by the end of the time limit will be changed to "IF" or "IU," whichever is appropriate.

For graduate courses: An Incomplete grade ("I") is exceptional and granted at the instructor's discretion only when students are unable to complete course requirements due to illness or other circumstances beyond their control. The course instructor and student must complete and sign the "I" Grade Contract Form that describes the work to be completed, the date it is due, and the grade the student would earn factoring in a zero for all incomplete assignments. The due date can be negotiated and extended by student/instructor as long as it does not exceed two semesters for undergraduate courses and one semester for graduate courses from the original date grades were due

for that course. An "I" grade not cleared within the two semesters for undergraduate courses and one semester for graduate courses (including summer semester) will revert to the grade noted on the contract.

**Essay Commentary Policy:** Offer specifics about your policy on essays.

**Please note that feedback is provided to each student for each research or analysis essay in 3 ways:**

- **Comment bubbles/margin comments on the paper.** Comment "bubbles" appear to the right side/right margin of the paper in Turnitin documents (or word documents if you had to email me your work for some reason). Comments bubbles on Turnitin documents should be visible using the Speedgrader. If you do not see the comment bubbles, seek help from services in eLearning or plan to meet with me via MSTeams. **Everyone has comments/feedback on their paper.**
- **Grading rubric.** The grading rubric is a word document attached to my message to you with your grade; it is specific to you/your paper. You should receive the message and attachment via Canvas gradebook messages. If you do not find your grading rubric, let me know. Some of you also receive attached handouts to help with revisions (when applicable).
- **End Note** (my summary note to you specific to your paper). This note is at the top of the grading rubric (before the table/grid). I send the same message to you through Canvas (with the grading rubric). If you do not see this end note/message, let me know.

**If you do not see all the feedback, contact me asap because I give all three forms of feedback to each student – students need the feedback to complete successful revisions (when applicable opportunities to revise are noted in each course schedule).**

**Final Examinations Policy:** All final exams are to be scheduled in accordance with the University's final examination policy.

- **Course Policies: Technology and Media**

**Canvas:**

This course will be offered via USF's learning management system (LMS), Canvas. If you need help learning how to perform various tasks related to this course or other courses being offered in Canvas, please view the following videos or consult the Canvas help guides. You may also contact USF's IT department at (813) 974-1222 or [help@usf.edu](mailto:help@usf.edu).

**Recordings:**

*In this class, software may be used to record live class lectures and discussions. As a student in this class, your participation in live class discussions will be recorded. These recordings will be made available only to students enrolled in the class, to assist those who cannot attend the live session or to serve as a resource for those who would like to review content that was presented. Students who prefer to participate via audio only will be allowed to disable their video camera so only audio will be captured. Please discuss this option with your instructor.*

### **WhatsApp, GroupMe, and Student-to-Student Communication:**

While students may use digital communication tools (WhatsApp, GroupMe, etc.) to communicate with fellow students, it is important to remember that academic integrity policies still apply in these environments. Informing others about the contents of tests is prohibited by [the official regulation](#), as is receiving unauthorized information about an examination. Students are expected and required to immediately report instances of such violations to the instructor.

- **Course Policies: Student Expectations**

#### **Title IX Policy:**

Title IX provides federal protections for discrimination based on sex, which includes discrimination based on pregnancy, sexual harassment, and interpersonal violence. In an effort to provide support and equal access, USF has designated all faculty (TA, Adjunct, etc.) as Responsible Employees, **who are required to report any disclosures of sexual harassment, sexual violence, relationship violence or stalking**. The Title IX Office makes every effort, when safe to do so, to reach out and provide resources and accommodations, and to discuss possible options for resolution. Anyone wishing to make a Title IX report or seeking accommodations may do so online, in person, via phone, or email to the Title IX Office. For information about Title IX or for a full list of resources please visit: <https://www.usf.edu/title-ix/gethelp/resources.aspx>. *If you are unsure what to do, please contact Victim Advocacy – a confidential resource that can review all your options – at 813-974-5756 or [va@admin.usf.edu](mailto:va@admin.usf.edu).*

#### **Course Hero / Chegg Policy:**

The [USF Policy on Academic Integrity](#) specifies that students may not use websites that enable cheating, such as by uploading or downloading material for this purpose. This does apply specifically to Chegg.com and CourseHero.com – almost any use of these websites (including uploading proprietary materials) constitutes a violation of the academic integrity policy.

#### **Professionalism Policy:**

Per university policy and classroom etiquette; mobile phones, iPods, etc. **must be silenced** during all classroom and lab lectures. Those not heeding this rule will be asked to leave the classroom/lab immediately so as to not disrupt the learning environment. Please arrive on time for all class meetings. Students who habitually disturb the class by talking, arriving late, etc., and have been warned may suffer a reduction in their final class grade.

### **End of Semester Student Evaluations:**

All classes at USF make use of an online system for students to provide feedback to the University regarding the course. These surveys will be made available at the end of the semester, and the University will notify you by email when the response window opens. Your participation is highly encouraged and valued.

### **Food and Drink Policy for in person class meetings:**

Please adhere to the firm policy of no beverages (other than bottled/capped water), food, tobacco products, or like items in the classroom. Your understanding of the necessity for this policy and cooperation will be greatly appreciated. This policy will be strictly enforced.

### **Turnitin.com:**

*In this course, turnitin.com will be utilized. Turnitin is an automated system which instructors may use to quickly and easily compare each student's assignment with billions of web sites, as well as an enormous database of student papers that grows with each submission. Accordingly, you will be expected to submit all assignments in both hard copy and electronic format. After the assignment is processed, as instructor I receive a report from turnitin.com that states if and how another author's work was used in the assignment. For a more detailed look at this process visit <http://www.turnitin.com>.*

*Essays are due at turnitin.com at the stated day and time in the assignment prompt.*

### **Netiquette Guidelines**

1. Act professionally in the way you communicate. Treat your instructors and peers with respect, the same way you would do in a face-to-face environment. Respect other people's ideas and be constructive when explaining your views about points you may not agree with.
2. Be sensitive. Be respectful and sensitive when sharing your ideas and opinions. There will be people in your class with different linguistic backgrounds, political and religious beliefs or other general differences.
3. Proofread and check spelling. Doing this before sending an email or posting a thread on a discussion board will allow you to make sure your message is clear

and thoughtful. Avoid the use of all capital letters, it can be perceived as if you are shouting, and it is more difficult to read.

4. Keep your communications focused and stay on topic. Complete your ideas before changing the subject. By keeping the message on focus you allow the readers to easily get your idea or answers they are looking for.
5. Be clear with your message. Avoid using humor or sarcasm. Since people can't see your expressions or hear your tone of voice, meaning can be misinterpreted.
