

## MLIS Graduate Student Exit Survey Summary—2014

### *School Information* *University of South Florida*

The goal of the exit survey is to obtain graduating students' impressions and experiences of the MLIS Program. Survey results help to guide future planning and directions at the School, inform the School's recruitment and marketing plans, and assist with continuing accreditation of the MLIS degree program under the auspices of the American Library Association's Committee on Accreditation.

A total of 94 MLIS students completed their programs in 2014, of whom 41 participated in the MLIS Exit Survey. That is a response rate of just under 44%.

The following summary of the 2014 survey results highlights key data pertinent to each of the standards identified in the COA Standards for Accreditation of Master's Programs in Library and Information Studies (2015) and reflect students' mastery of Program Level Learning Outcomes.
