

MLIS Graduate Student Exit Survey Summary—2017

School Information University of South Florida

The goal of the exit survey is to obtain graduating students' impressions and experiences of the MLIS Program. Survey results help to guide future planning and directions at the School, inform the School's recruitment and marketing plans, and assist with continuing accreditation of the MLIS degree program under the auspices of the American Library Association's Committee on Accreditation.

In 2017, the School of Information transitioned away from Survey Monkey for managing the program surveys. During this transition, we conducted a departmental evaluation of survey questions and implemented the edits into the new survey design in Qualtrics.
