### **Course Preparations**

POS 2041 Introduction to American Government: Survey course in American politics. Course is designed for first year undergraduates.

PUP 4002 Public Policy: Course provides 1) overview of the policy-making process including agenda setting, policy formation, implementation, and evaluation, and 2) an analysis of selected policy areas such as health care and social policy.

POS 3142 Urban Politics: Course addresses a variety of issues related to urban politics including the process of urbanization and suburbanization, rise and decline of machine politics, municipal elections and government structure, metropolitan service delivery systems, the city in the federal setting, urban fiscal crises, and economic development.

CPO 4930 Comparative Political Cultures – London/Paris: Course is part of the USF Education Abroad Program in London and Paris. Students take part of the course on-campus before departure and the remaining part of the course online after returning to the U.S. The course focuses on major urban issues in London and Paris, as well as policy issues related to the UK and France.

IDH 4930 Honors Comparative Health Care Systems Italy—Physician Observation in Florence, Italy. Course is part of the USF Education Abroad Program in Florence, Italy. The course focuses on comparative health care issues. An integral part of this course is the on-site clinical learning students experience observing physicians (mostly surgeons) in hospitals in Tuscany.
