# USF SALAMANCA - SPANISH LANGUAGE AND CULTURE

## OVERVIEW

Enhance your knowledge of the Spanish language first hand through immersion in Spanish culture! Take intensive language courses with established institute Estudio Sampere while overseas with USF faculty! And all while earning direct USF credit and making progress toward meeting foreign language and summer enrollment graduation requirements. The program features Spanish language classes from beginning through intermediate levels taught by Estudio Sampere faculty in small class sizes. Pre-departure and in-country orientations will prepare students to gain the most from the experience. Full-day weekend organized cultural excursions to nearby Segovia, Avila, La Alberca, Mogarraz, and Madrid are included.
