

THE 4TH GREAT POWER COMPETITION CONFERENCE: TWO-DECADE 9/11 ANNIVERSARY: GATHERING WISDOM FROM EXPERIENCE

September 22–23 , 2021 • Register at <https://go.gpc-conference.org/Sept2021>

As the US turns the corner on the two decades since 9/11 and begins withdrawal from 20 years of war in Afghanistan without a clear indication of what it achieved, an introspective approach is critical. This GPC Conference, the fourth in a continuing series, will focus on the terrorist attacks of September 11, 2001, and the United States' subsequent military and diplomatic response.

The GPC conference will consider the connections between the attacks and the Great Power Competition, the ripple effects in the region, and the takeaways to pass on to the next generation of leaders and decision-makers.
