

USF Pre-Health Student Organizations

Alpha Epsilon Delta

- **Organization Description:** Alpha Epsilon Delta is a health pre-professional honor society dedicated to scholarship, community service, philanthropy and networking. We bring together passionate students to promote a greater appreciation for the pre-health educational experience. To benefit our members in the path to their respective professional schools, we bring in health professional speakers, organize volunteering events in the community, arrange socials for networking, and much more.
- **Contact Information:** Email: usf.aed@gmail.com; Website: usfaed.wix.com/usfaed; www.facebook.com/AEDxUSF/

Biology Club

- **Organization Description:** The purpose of the Biology Club is to provide information and resources to undergraduate students with an interest in the field of biology with opportunities to further explore and pursue their curiosity and to encourage a positive interest and literacy of biology to the community.
- **Contact Information:** Email: mcpolner@mail.usf.edu; dferrusi@mail.usf.edu Facebook: <https://www.facebook.com/biologyclubusf/>

Cell Molecular and Microbiology (CMMB) Club

- **Organization Description:** The CMMB Club is for connecting undergraduates and graduate students interested in cell and molecular biology, microbiology, and health sciences. It will offer opportunities for networking, community service, and serve as a way for students to meet others with similar interests.
- **Contact Information:** Email: mapark@usf.edu ; swesterheide@usf.edu ; Facebook: www.facebook.com/CMMBclubUSF

Chemistry Society

- **Organization Description:** The USF Chemistry Society is an organization that dedicates its time and efforts to the improvement of our community through service. Whether it be in the form of free chemistry/biological science tutoring in NES 115 M-F, to educating younger students on the importance of the sciences in our lives, our club is all about being involved while having fun in the process. We participate in school-wide events such as Science for Every Student, Stampede of Service and Relay for Life. Come join us and start getting involved today!
- **Contact Information:** Email: kfields@mail.usf.edu; Facebook: www.facebook.com/groups/chemistry.society/

Engineering Medical Society

- **Organization Description:** The society has two main objectives: 1. Embark in medical engineering projects in collaboration with other engineering societies as well as USF Health. 2. Offer quality pre-medical advising tailored towards engineering majors. We are strong in both objectives. Whether you would like to apply your engineering degree in industry upon graduation, enter medical school, work in projects to design medical engineering devices, or pursue graduate school, the society can assist you in achieving your goal.
- **Contact Information:** Email: vjhoffman@mail.usf.edu ; Website: engineeringpremedicalsociety86933

Future Occupational Therapists of America

- **Organization Description:** The Future Occupational Therapists of America is constructed to help students who are interested in pursuing a career in Occupational Therapy. Even though we don't have a graduate program for OT at USF we will help with information about admission, have guest speakers, and volunteering.
- **Contact Information:** Email: wmayoz@mail.usf.edu; Facebook: <https://www.facebook.com/FOTAusf/>

Global Medical Brigades

- **Organization Description:** An organization that raises money to go to other countries on medical missions providing medical services and public health. It is an amazing, and eye opening experience to serve those who have nothing.
- **Contact Information:** Email: gmbexec@gmail.com; Facebook: www.facebook.com/gmbusf

HOSA: Future Health Professionals

- **Organization Description:** Future Health Professionals aim to develop skills through motivation recognition, and awareness to increase the delivery of compassionate, quality health care to the community. The national organization provides opportunities to increase knowledge, develop leadership skills, enhance character, gain friendships, build self-confidence, increase involvement in the local and national community, and so much more. HOSA hosts competition in a variety of events at the regional, state, and national level.
- **Contact Information:** Advisor Email: Eadunn2@mail.usf.edu; Website: hosa.org; Website: <https://orgsync.com/86955/chapter>; Facebook: <https://www.facebook.com/groups/789739717749442/>;

Minority Pre-Professional Science Society

- **Organization Description:** The Minority Pre-Professional Science Society is an organization dedicated to increasing the levels of minority student recruitment, admissions and retention in health programs and implement its strategies through committing to listen and respond to the needs of our members.
- **Contact Information:** Email: usfmpss@gmail.com; Website: <http://www.studentorgs.usf.edu/mpss/>

Phi Delta Epsilon International Medical Fraternity

- **Organization Description:** Phi Delta Epsilon International Medical Fraternity creates physicians of integrity with a lifelong commitment to our guiding principles of philanthropy, deity, and education through fellowship, service, mentoring, and formal training in leadership, science, and ethics. As USF's only premedical co-ed fraternity, we take much pride in our close camaraderie and unparalleled diversity. The University of South Florida chapter-Florida Epsilon was officially chartered in the spring of 2014 making it one of the newest chapters in the world! USF students with the aspirations to one day become a physician now have the opportunity to become part of a network of prestigious undergraduate universities and medical schools all over the globe. Recruitment takes place at the beginning of Spring and Fall semesters.
- **Contact Information:** Email: usfphiderecruitment@gmail.com Website: <http://phideltaepsilonusf.weebly.com/>

Anesthesiologist Assistant Club

- **Organization Description:** The Pre Anesthesiologist Assistant Club aims to support members entering this field by offering opportunities. These opportunities consists of having guest speakers, touring open houses at NOVA, and providing shadowing opportunities. Join us as we aid in starting a new generation of Anesthesiologist Assistants!
- **Contact Information:** Email: preaapresident@gmail.com Facebook: <https://www.facebook.com/Pre-Anesthesiologist-Assistant-Club-at-USF-1429210330626899/>

Pre-Dental Society

- **Organization Description:** The purpose is to help Pre-Dental students gain exposure to and knowledge about dentistry and assist through the application process.
- **Contact Information:** Email: president.usfpds@gmail.com Facebook: <https://www.facebook.com/usfpredentalsociety>

Pre-Medical American Medical Student Association (AMSA)

- **Organization Description:** As the largest pre-health student organization at USF, Pre-Med AMSA's mission is to help its members create the strongest application to medical school possible. We provide opportunities to volunteer, shadow, and be mentored by medical students. Pre-med AMSA is also a great way to meet like-minded students with similar ambitions.
- **Contact Information:** Email: jorgerosa@mail.usf.edu; Website: usfpamsa.org; www.facebook.com/usfpamsa/

Pre-Pharmacy Club

- **Organization Description:** The Pre-Pharmacy Club is an organization for undergraduate students who are interested in any/all aspects of pharmaceutical sciences. This club is designed to facilitate and encourage the exchange of information between students and colleges of pharmacy, and to promote fun opportunities for involvement in and around the university.
- **Contact Information:** Email: usfprepharmacyclub@gmail.com; Facebook: www.facebook.com/usf.prepharmacyclub/

Pre-Physician Assistant Society

- **Organization Description:** Created in 2007, the USF Pre-Physician Assistant Society was made to represent undergraduate students interested in pursuing a career as a Physician Assistant as well as educate students about the growing PA profession and encourage students interested in the field. The club offers a multitude of resources such as volunteering, workshops, and speakers to help students become more competitive applicants.
- **Contact Information:** Email: victoria61@mail.usf.edu; Website: <https://orgsync.com/87018/chapter:www.facebook.com/groups/33269424476/>

University Emergency Medicine Student Association

- **Organization Description:** UEMSA is designed for students who aspire for a career in healthcare, emergency medical services (EMS), medicine, or those who are just looking for a unique leadership opportunity. Our goals are to provide the education necessary for those seeking such careers through educational lectures, EMR/CPR certification, and practical experience in emergency medicine. We also hope to foster new interest into the field of emergency medicine. Our mission is to raise the bar of safety on the USF Tampa campus and in the community with educational opportunities and when appropriate, a campus-based, student run, volunteer rescue EMS program.
- **Contact Information:** Email: uemsa@health.usf.edu; Website: usfuemsa.com; Facebook: <https://www.facebook.com/UEMSA/>

Undergraduate American Medical Women's Association

- **Organization Description:** In this undergraduate chapter of AMWA, we provide a support network for students during the stressful and competitive time before medical school. Meetings are held every two weeks. Volunteering, mentoring, application preparation and medical student interaction are all things that we offer in addition to a network of friends. We also have a focus around women's health and try to incorporate that theme throughout the semester.

Pre-Veterinary Society

- **Organization Description:** The USF Pre-Veterinary Society is an organization for students pursuing a career in veterinary medicine, or even students simply interested in the field. Members will meet local veterinarians and animal organizations, learn tips and tricks about vet school admission an application process, as well as make invaluable connections.
- **Contact Information:** Email: idangiesein@mail.usf.edu Facebook: <https://www.facebook.com/groups/74206495215/>
