

What will I be studying?

English students engage the world through reading, writing, and collaborative discussion. They choose a concentration in either literary studies or creative writing. In literature, students engage with diverse perspectives and analyze complex issues. In creative writing, students study mentor texts and produce fiction, poetry, and genre work in workshop-based classes.

Career Ideas!

Editorial Assistant

Multitask high priority assignments including creating descriptive copy, reviewing book proposals and submissions, and managing book titles through their life cycles

Lawyer

Advise and represent clients and/or conduct research and analysis of legal problems
