In your small group, please discuss and answer each of the following questions:

1. **What is going well in this class?** What aspects of your instructor’s teaching do you most appreciate or find effective?

2. **What aspects of the course need improvement?** What could your teacher do to increase or enhance your learning of the subject matter for the course?

3. **Are there any other aspects of the course on which you would like to comment?** Is there anything else you would like to share with your teacher?
