“Windowed” mode in PowerPoint lets you shrink the PPT window and create space for TEAMS chat

ATLE’s Events and Services (Partial List)

- ATLE listserv
- First Friday Workshops
- Book clubs
- Observations and student focus groups
- Faculty peer observation groups
- Summer Teaching Symposium
- Course Design Institute
- Green and Gold program
- Teaching Award

Finding “windowed” mode in PPT: SLIDESHOW tab, then SET UP SLIDE SHOW, then select “browsed by an individual (window)”
