From 04/03/2020 at 9:00 PM to 04/05/2020 at 12:00 PM, Bull Marketplace will be unavailable while required updates are installed.

With this update, Bull Marketplace will undergo a few visual changes. The more drastic changes include:

1. The left side ‘Fly-Out’ menu has received a refresh:
   
   a. The icons used to depict the various sections of Bull Marketplace will be updated. The changes are shown below.
   
   NOTE: You may not see all of the icons when you login to the application, this is based on individual user access.
b. The sub-menus for each fly-out icon have been changed. Here’s an example of the sub-menus from the Shopping icon:
2. The top-side Banner bar has been given a visual refresh:
   
a. Some of the icons have changed and been moved
