15	\$1,756.20	\$2,303.40	\$2,459.40	\$3,006.60

Amount covered by Local Fee Plans for Flat Fees	
Amount Covered Per Term	\$17.00

To determine your portion of the fees: find the number of hours you are registered for in the hour's column and find the amount under your prepaid plan. Subtract the amount that prepaid will cover from the balance of your Fee Assessment on OASIS. You are responsible for the difference. The amount prepaid is estimated to pay can also be viewed in the memo section of your account summary by term on OASIS. Your portion of the tuition not covered by Florida Prepaid is due by the Financial Aid deferment deadline of the semester. Payment deadlines can be found here: <http://www.usf.edu/business-finance/controller/student-services/deadline-dates.aspx>
