Graduate Tuition Rates (Fall 2019- Spring 2020)
Tuition is assessed by course level, not student classification (i.e. if an Undergraduate student takes a Graduate level course they are charged the Graduate tuition rate). Other factors that determine the per credit rate are: residency, admission term, course campus and for some graduate students their college or program of study. Non-Florida resident students are assessed the same fees as Florida residents plus additional out-of-state fees.
