

**UNIVERSITY OF  
SOUTH FLORIDA**  
A PREEMINENT RESEARCH UNIVERSITY

## Graduate Tuition Rates (Fall 2021- Summer 2022) Admit Terms Prior to Summer 2020

Tuition is assessed by course level, not student classification (i.e. if an Undergraduate student takes a Graduate level course they are charged the Graduate tuition rate). Other factors that determine the per credit rate are: residency, admission term, course campus and for some graduate students their college or program of study. Non-Florida resident students are assessed the same fees as Florida residents plus additional out-of-state fees.

### **ONE USF- CONSOLIDATION OF USF CAMPUSES**

Students admitted before Summer 2020 will see additional charges on their accounts labeled “One USF” for St Pete and Sarasota-Manatee courses and flat fees. Per the current USF tuition regulation, if you have maintained uninterrupted active enrollment you are not required to pay these fees. A waiver will be applied to your account to cover those charges through Fall 2023 as long as your admit term does not change. Below are the fees that will be waived.
