Describe the equipment, commodity or contractual service and how it is to be used. Provide the justification for the single source (note price cannot be used for justification). Attach additional pages if necessary. The Justification should describe in lay language. The service/commodity and its intended use, The reasons the item is not subject to competition from other sources, The necessity for purchase, and why only this service/commodity has unique features or qualities that will accomplish the required needs of the buyer.

Shimadzu is the sole manufacturer and distributor of this item for use with their Liquid auto sampler, which is included in a breakdown list of parts required. The requested item from Shimadzu is required in order to successfully build the liquid auto sampler and maintain the continuity of our ongoing experiments. This justification is primarily based on achieving the scientific goals of our proposed federally funded experiments. The quoted price accounts for roughly a 35% discount.
