

SINGLE SOURCE CERTIFICATION

Authority is requested to make the following purchase under the provision of USF System Regulation USF4.02010(IV)(A)(2)(b) as a non-competitive purchase available from only one source. By submitting this form, department acknowledges that existing [exemptions](#) will not apply to this purchase. Single source requests exceeding \$75,000 must be signed by a Procurement Director and posted publicly for (3) business days.

DATE: 4/25/23

ITEM(S): SimMan 3G-Plus - Male simulator

PRICE: \$ 114671.58

FUND #: 12000

SUPPLIER ID: 0000060964

REQUISITION#: NA

SUPPLIER NAME: LAERDAL MEDICAL CORP

FEDERAL GRANT: Y N

In your words, describe the equipment, commodity, or contractual service. Explain how these specifications are essential to the accomplishment of your work:

FL STATE CONTRACT # ITB1707237 - Patient simulator with life like skin that employs multiple model of human physiology with cardiovascular system that automatically calculate dependent variables. Modeled pulmonary system with variable changes and forced user to guide medical students in symptom amelioration.

In your own words, describe the reason(s) the item is not subject to competition from other sources and how the stated specification(s) restrict the requisition to only one supplier. Description may include unique features/compatibility/specifications/availability/delivery time frame etc. (Note: Price is not a valid reason).

We have two of these simulators and need to replace one due to age deterioration. This will work with all other accessories that we currently have.
Student Medical training and the course curriculum is modeled after this specific unit. Staff and faculty are already trained to use this simulator.
To match SimMan purchased on PO 250700 5/31/18.

In your own words, describe the due diligence conducted to validate this supplier as Single Source. Description SHOULD list all other suppliers with item(s)/service(s) with similar functions, your efforts to identify other suppliers, and why these suppliers would not qualify to submit a competitive quote.

There is not another manufacturer that has all of the benefits of this simulator such as Advanced cardiac life support system, vascular system which allows the simulator to physically bleed, convulsion and body tremor mechanism, independent blinking eyes and adjustable pupils, airway containing a mouth, oropharynx, larynx, esophagus, trachea and carina that is based on a actual CT scan of a human, fully dependent left and right lungs, full trauma
