Proposal results will not be given out over the telephone.

12. THE INVITATION TO NEGOTIATE PROCESS

The ITN process is a flexible procurement process that is used when highly specialized and or variable services or products are required. Negotiations offer an opportunity for selected Vendor(s) to discuss their responses with an evaluation committee. The goal of this comprehensive process is for identification of the optimal outcome or the solution that best meets the needs of the University. Only representatives of the participating Vendors who are authorized to negotiate and make agreements shall be involved in negotiations.

14. EVALUATION CRITERIA

Evaluation will be based on criteria identified in the Section III - Specifications. Any information a Vendor deems essential to the evaluation of the services offered, for which no provision is made in the ITN, should be clearly stated in the proposal. While the University reserves the right to request additional information or clarification from Vendors at any time in the process, Vendors should not assume that they will be allowed to amplify or modify their initial written proposal. The initial response must be a clear and easy to understand explanation of the products, services, benefits and prices offered and should include information as to how all specifications will be met.

15. NEGOTIATION WITH VENDORS

To identify vendors for negotiations, submitted proposals will be evaluated, presentations may be requested, and references may be verified and reviewed. The University will compare the proposals according to the evaluation criteria described in SECTION III for the purpose of identifying vendors for negotiation.

Vendors may be invited to continue in the negotiation process. Negotiations offer an opportunity for the selected Vendors to discuss their offers and proposals in further detail with the University. Selected vendors may be given the opportunity to refresh their initial offers. Refreshed proposals allow vendors to match or exceed the offers made by competitors, both as to services and cost. This allows the University to secure services which best meet its needs, at a highly competitive and favorable cost. At the conclusion of this negotiation process, the University may ask selected vendors to submit a written best and final offer, to memorialize all agreements reached during negotiations and to extend additional benefits to the University, if desired. Invitation to submit a best and final offer is not automatic. After this negotiation a final Vendor(s) may be selected.

16. INVITATION TO NEGOTIATE FORM

All proposals shall be submitted using the University of South Florida Invitation to Negotiate form as a cover to be considered for an award of the proposal. The form shall be completed in ink or typewritten, signed by an authorized signatory of the Vendor and returned with the proposal in a sealed envelope. Vendor is responsible for marking the outside of the sealed envelope with the proposal number and the opening date.

The Invitation to Negotiate form and all related pages are a legal document and cannot be altered by the Vendor in any way. Any alteration made by a Vendor may disqualify the proposal and the response may be considered invalid. Any necessary changes to an Invitation to Negotiate document will be implemented by written addenda to the proposal issued by Purchasing Services.

17. RIGHT TO NEGOTIATE

Upon evaluation of the responses, the University has the right to enter into negotiations with one or multiple Vendors that appear to have submitted proposal(s) that best meet the needs and requirements of the University. Negotiations could include but are not limited to price and the terms and conditions of this ITN.
18. **VENDOR'S RESPONSIBILITY**

It is understood and the Vendor hereby agrees that it shall be solely responsible for all services that it proposes, notwithstanding the detail presented in the Invitation to Negotiate.

19. **VENDOR’S EXPENSE**

All proposals submitted in response to the ITN must be submitted at the sole expense of the Vendor, whether or not any agreement is signed as a result of this Invitation to Negotiate. Proposers will pay all costs associated with the preparation of proposals and necessary visits to campus and other required site visits.

20. **NUMBER OF PROPOSALS SUBMITTED**

Vendor shall submit one (1) original proposal—clearly mark as “original” and one (1) copy. Vendors must also submit one (1) Electronic copy preferably on a flash drive. **The electronic copy shall consist of a single pdf document, do not send a folder containing multiple separate files.** Proposals that do not include all of the requested copies may be disqualified at the sole discretion of the University of South Florida.

21. **PROPOSAL REJECTION**

The University shall have the right to reject any or all ITN proposals and in particular to reject an ITN proposal not accompanied by data required by the Invitation to Negotiate or an ITN proposal in any way incomplete or irregular including the omission of pricing information. Conditional ITN proposals may be considered non-responsive.

22. **OPEN COMPETITION**

The University encourages free and open competition among vendors. Whenever possible, specifications, invitations to negotiate, and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the University’s needs and the accomplishment of a sound economical operation. The Vendor’s signature on their ITN proposal guarantees that the prices quoted have been established without collusion with other Vendors and without effort to preclude the University from obtaining the lowest possible competitive price.

23. **ORAL PRESENTATION**

After ITN proposals have been opened, Vendors submitting ITN proposals may be requested, at the sole option of the University, to make oral presentations or provide written clarifications. Such presentations or clarifications will provide an opportunity for the Vendor to clarify the proposal. Oral presentations may be recorded. Recorded oral presentations and written clarifications will be affixed to the Vendor’s ITN proposal and become part of the same as if originally submitted.

24. **MISTAKES**

In the event of extension error(s), the unit price will prevail and the bidder’s “Total Offer” will be corrected accordingly. In the event of addition error(s), the extended totals will prevail and the bidder’s “Total Offer” will be corrected accordingly. Bidders must check their bid proposals for any such errors and state the discount(s) in the proposal, where applicable. Failure to do so will be at the bidder’s risk.

In the event a mistake results in the written request of a Vendor withdrawing any part of the proposal, the Vendor must withdraw the entire proposal package and the University will not consider that proposal for award of **ANY** of the subject ITN. This applies to all requests for withdrawal. The only exception to this policy would be a case where the mistake was the result of misinformation unknowingly supplied by the University. In this event, a waiver of policy must be approved by Purchasing whose decision shall be final.

Vendors must check their proposals for any errors. Failure to do so will be at the Vendor’s risk.

25. **RIGHT TO TERMINATE**

In the event any of the provisions of the contract are violated by the successful proposer, the University may serve written notice upon Vendor of its intention to terminate the contract. Such notice will state the reason(s) for the intention to terminate the contract. If the violation does not cease and satisfactory arrangements for correction are not made
within ten (10) days after the notice is served upon the Vendor, the contract shall cease and terminate. The liability of
the Vendor and/or his surety for any and all such violation(s) shall not be affected by any such termination.

26. CANCELLATION

For the protection of both parties all contractual obligations shall prevail for at least 90 days after the effective date of
the contract. After that period, for the protection of both parties, this contract may be cancelled, in whole or in part, by
either party by giving thirty (30) days written notice to the other party.

27. PAYMENT PERFORMANCE BOND

A payment performance bond is not required for these services.

28. LIQUIDATED DAMAGES

Terms for liquidated damages are not required for these services.

29. FORCE MAJEURE

No default, delay or failure to perform on the part of the either party shall be considered a default, delay or failure to
perform otherwise chargeable, hereunder, if such default, delay or failure to perform is due to causes beyond either
party’s reasonable control including, but not limited to, strikes, lockouts or inactions of governmental authorities;
epidemics; acts of terrorism; war; embargoes; fire; earthquake; acts of God; or default of common carrier. In the event
of such default, delay or failure to perform, any date or times by which either party is otherwise scheduled to perform
shall be extended automatically for a period of time equal in duration to the time lost by reason of the excused default,
delay or failure to perform.

30. PAYMENT

The University will make partial payment in the amount of the value of items or service received and accepted by the
University in response to a request by the Vendor along with the submission of a properly executed invoice, and
supporting documents (if required). The University shall issue the Vendor’s payment within 30 days after receipt of an
acceptable invoice and receipt, inspection, and acceptance of goods and/or services provided in accordance with the
terms and conditions of the purchase order/contract. The University’s preferred payment method is P-card. No
additional charges will be accepted for use of P-card payment. Any penalty or delay in payment shall be in accordance
with section 55.03, Florida Statutes. The University’s vendor ombudsman, whose duties include acting as an advocate
for vendors who may be experiencing problems in obtaining timely payment(s) from the University may be contacted at
813-974-2481.

31. FEID NUMBER

Vendors MUST supply their Federal Employee Identification Number or Social Security number.

32. W-9 (W-8BEN for Foreign Vendors) FORM

33. STANDARDS OF CONDUCT

It is a breach of ethical standards for any employee of the University to accept, solicit, or agree to accept a gratuity of
any kind, form or type in connection with any contract for commodities or services. It is also a breach of ethical
standards for any potential vendor to offer an employee of the University a gratuity of any kind, form or type to influence
the development of a contract or potential contract for commodities or services.

As of January 4, 2016 the University of South Florida is a tobacco free campus. Smoking, tobacco use, and use of related products is prohibited on all property owned, leased or operated by USF. 36. **PUBLIC RECORDS**

Sealed proposal responses received by the University pursuant to Invitation to Negotiate are exempt from the provisions of the Florida Statute Chapter 119 until such time as the University provides notice of an intended decision or until thirty (30) days after the opening of final replies, whichever is earlier.
