SECTION I: INTRODUCTION

Purpose of ITN
The University of South Florida Board of Trustees, a public body corporate of the State of Florida, hereinafter the "University", intends to negotiate an agreement to/for Desktop-as-a-Service for cybersecurity coursework. We invite Proposals from qualified Providers to submit a proposal to perform the services as described in the specifications below. Description of University

Founded in 1956, the University of South Florida has become one of the largest universities in the Southeast, with a student body of 47,000 within the USF System that includes USF Tampa, USF St. Petersburg, and USF Sarasota-Manatee an annual budget of $1.5 billion, and an annual economic impact of $3.7 billion. USF is one of only three Florida public universities classified by the Carnegie Foundation for the Advancement of Teaching in the top tier of research activities, a distinction attained by only 2.2 percent of all universities. The University’s renowned faculty generate over $390 million in contract and grant-sponsored research each year.

Located in the Tampa Bay region – one of the fastest-growing metropolitan areas of the nation – the University of South Florida has received vital support from business leaders and organizations, and contributes to the economic growth of the region through research and service projects.

The University’s priorities are focused on student success, community engagement, research and innovation, global literacy and impact, and integrated interdisciplinary inquiry. A national reputation as a dynamic research university is attracting more and more of the nation’s best and the brightest scholars to the Tampa Bay area. USF research is taking place across an astonishing array of disciplines, from marine sciences to teacher education, micro engineering to cancer treatments.

The University has world-recognized researchers in all of its colleges conducting research in areas such as oceanography, coastal geology, medicine, satellite communications and mapping, curriculum and testing innovation, aging, health outcomes and community welfare, business systems, fine arts, and many others.

USF is a member of the American Athletics Conference, with 17 men and women varsity teams competing at the NCAA-level. New facilities for practice and competition, along with a completely renovated USF Sun Dome, put the university's athletic facilities on par with virtually every top program in the country.

    Vendors may be required to answer questions and may be required to make a presentation to the evaluation committee regarding their qualifications, experience, service, and capability to furnish the required service(s).

    The award(s) shall be made by the University to the most responsive and responsible vendor whose final proposal is determined to be the most advantageous to the University taking into consideration price and other criteria as set forth in the Invitation to Negotiate.

    The University’s intent is to award on an “All-or-None Total Offer” basis.

11. **PROPOSAL TABULATION**

    Vendors desiring a copy of the proposal tabulation for the Invitation to Negotiate may request a copy via email to the ITN point of contact Maria Victoria Oprisko at mvoprisko@usf.edu. Proposal tabulation will be available after award and will be posted on the Purchasing website. The proposal tabulation is an accounting of initial proposal information received relative to requested information and may not include price information. Proposal results will not be given out over the telephone.

12. **THE INVITATION TO NEGOTIATE PROCESS**

    The ITN process is a flexible procurement process that is used when highly specialized and or variable services or products are required. Negotiations offer an opportunity for selected Vendor(s) to discuss their responses with an evaluation committee. The goal of this comprehensive process is for identification of the optimal outcome or the solution that best meets the needs of the University. Only representatives of the participating Vendors who are authorized to negotiate and make agreements shall be involved in negotiations.

13. **QUALIFICATIONS OF VENDORS**

    Pre-Award Evaluation: To be considered for award, the entity bidding this project shall: A) have been regularly engaged in this type of business for a minimum of one (1) year from the opening date of this Invitation to Negotiate.

    A. **Company Information Required:** Each bidding entity shall furnish the following information:

    1. Name and address of operating company, indicate type of business (i.e. Individual, Partnership, Corporation, other).
    2. Number of years in the industry and the number of people regularly employed.
    3. Evidence, in writing, they maintain permanent places of business and have adequate equipment, financial position (Balance sheet and profit/loss statement), personnel, and inventory to furnish the items offered satisfactorily and expeditiously, and can provide the necessary services.
    4. Provide a list of references from past or current customers. Include contact information and contact names.
5. Be qualified to perform the work required by these documents.
6. Have successfully provide similar services of comparable size, scope and cost.

Please Note: Documentation of the Vendor’s Qualifications shall be included in vendor proposals to be considered for the award.

Only proposals that meet the "Qualification of Contractors" will be considered.

Failure to furnish all of the above information may be sufficient reason for disqualification.

14. EVALUATION CRITERIA

Evaluation will be based on criteria identified in the Section III - Specifications. Any information a Vendor deems essential to the evaluation of the services offered, for which no provision is made in the ITN, should be clearly stated in the proposal. While the University reserves the right to request additional information or clarification from Vendors at any time in the process, Vendors should not assume that they will be allowed to amplify or modify their initial written proposal. The initial response must be a clear and easy to understand explanation of the products, services, benefits and prices offered and should include information as to how all specifications will be met.

15. NEGOTIATION WITH VENDORS

To identify vendors for negotiations, submitted proposals will be evaluated, presentations may be requested, and references may be verified and reviewed. The University will compare the proposals according to the evaluation criteria described in SECTION III for the purpose of identifying vendors for negotiation.

Vendors may be invited to continue in the negotiation process. Negotiations offer an opportunity for the selected Vendors to discuss their offers and proposals in further detail with the University. Selected vendors may be given the opportunity to refresh their initial offers. Refreshed proposals allow vendors to match or exceed the offers made by competitors, both as to services and cost. This allows the University to secure services that best meet its needs, at a highly competitive and favorable cost. At the conclusion of this negotiation process, the University may ask selected vendors to submit a written best and final offer, to memorialize all agreements reached during negotiations and to extend additional benefits to the University, if desired. Invitation to submit a best and final offer is not automatic. After this negotiation, a final Vendor(s) may be selected.

16. INVITATION TO NEGOTIATE FORM

All proposals shall be submitted using the University of South Florida Invitation to Negotiate form as a cover to be considered for an award of the proposal. The form shall be completed in ink or typewritten, signed by an authorized signatory of the Vendor and returned with the proposal in a sealed envelope. Vendor is responsible for marking the outside of the sealed envelope with the proposal number and the opening date.

The Invitation to Negotiate form and all related pages are a legal document and cannot be altered by the Vendor in any way. Any alteration made by a Vendor may disqualify the proposal and the response may be considered invalid. Any necessary changes to an Invitation to Negotiate document will be implemented by written addenda to the proposal issued by Procurement Services.

17. RIGHT TO NEGOTIATE

Upon evaluation of the responses, the University has the right to enter into negotiations with one or multiple Vendors that appear to have submitted proposal(s) that best meet the needs and requirements of the University. Negotiations could include but are not limited to price and the terms and conditions of this ITN.

If for any reason a Vendor(s) and the University cannot arrive at a mutual agreement that would result in the issuance of a contract, the University reserves the right to terminate negotiations, to reject the proposal(s), and to continue negotiations with other responsive Vendors that may lead to the issuance and award of a contract.

18. VENDOR'S RESPONSIBILITY

It is understood and the Vendor hereby agrees that it shall be solely responsible for all services that it proposes, notwithstanding the detail presented in the Invitation to Negotiate.
19. VENDOR'S EXPENSE

All proposals submitted in response to the ITN must be submitted at the sole expense of the Vendor, whether or not any agreement is signed as a result of this Invitation to Negotiate. Proposers will pay all costs associated with the preparation of proposals and necessary visits to campus and other required site visits.

20. NUMBER OF PROPOSALS SUBMITTED

Vendor shall submit one (1) original proposal—clearly mark as “original” and one (1) copy. Vendors must also submit one (1) Electronic copy preferably on a flash drive. The electronic copy shall consist of a single pdf document. Do not send a folder containing multiple separate files. Proposals that do not include all of the requested copies may be disqualified at the sole discretion of the University of South Florida.

21. PROPOSAL REJECTION

The University shall have the right to reject any or all ITN proposals and in particular to reject an ITN proposal not accompanied by data required by the Invitation to Negotiate or an ITN proposal in any way incomplete or irregular including the omission of pricing information. Conditional ITN proposals may be considered non-responsive.

22. OPEN COMPETITION

The University encourages free and open competition among vendors. Whenever possible, specifications, invitations to negotiate, and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the University’s needs and the accomplishment of a sound economical operation. The Vendor’s signature on their ITN proposal guarantees that the prices quoted have been established without collusion with other Vendors and without effort to preclude the University from obtaining the lowest possible competitive price.

23. ORAL PRESENTATION

After ITN proposals have been opened, Vendors submitting ITN proposals may be requested, at the sole option of the University, to make oral presentations or provide written clarifications. Such presentations or clarifications will provide an opportunity for the Vendor to clarify the proposal. Oral presentations may be recorded. Recorded oral presentations and written clarifications will be affixed to the Vendor’s ITN proposal and become part of the same as if originally submitted.

24. MISTAKES

In the event of extension error(s), the unit price will prevail and the bidder’s “Total Offer” will be corrected accordingly. In the event of addition error(s), the extended totals will prevail and the bidder’s “Total Offer” will be corrected accordingly. Bidders must check their bid proposals for any such errors and state the discount(s) in the proposal, where applicable. Failure to do so will be at the bidder’s risk.

In the event a mistake results in the written request of a Vendor withdrawing any part of the proposal, the Vendor must withdraw the entire proposal package and the University will not consider that proposal for award of ANY of the subject ITN. This applies to all requests for withdrawal. The only exception to this policy would be a case where the mistake was the result of misinformation unknowingly supplied by the University. In this event, a waiver of policy must be approved by Purchasing whose decision shall be final.

Vendors must check their proposals for any errors. Failure to do so will be at the Vendor’s risk.

25. RIGHT TO TERMINATE

In the event any of the provisions of the contract are violated by the successful proposer, the University may serve written notice upon Vendor of its intention to terminate the contract. Such notice will state the reason(s) for the intention to terminate the contract. If the violation does not cease and satisfactory arrangements for correction are not made within ten (10) days after the notice is served upon the Vendor, the contract shall cease and terminate. The liability of the Vendor and/or his surety for any and all such violation(s) shall not be affected by any such termination.
26. **CANCELLATION**

For the protection of both parties all contractual obligations shall prevail for at least 90 days after the effective date of the contract. After that period, for the protection of both parties, this contract may be cancelled, in whole or in part, by either parties by giving thirty (30) days written notice to the other party.

27. **PAYMENT PERFORMANCE BOND**

A Payment Performance bond is not required for this solicitation.

28. **LIQUIDATED DAMAGES**

There is no requirement for Liquidated Damages for this solicitation.

29. **FORCE MAJEURE**

No default, delay or failure to perform on the part of the either party shall be considered a default, delay or failure to perform otherwise chargeable, hereunder, if such default, delay or failure to perform is due to causes beyond either party’s reasonable control including, but not limited to, strikes, lockouts or inactions of governmental authorities; epidemics; acts of terrorism; war; embargoes; fire; earthquake; acts of God; or default of common carrier. In the event of such default, delay or failure to perform, any date or times by which either party is otherwise scheduled to perform shall be extended automatically for a period of time equal in duration to the time lost by reason of the excused default, delay or failure to perform.

30. **PAYMENT**

The University will make partial payment in the amount of the value of items or service received and accepted by the University in response to a request by the Vendor along with the submission of a properly executed invoice, and supporting documents (if required). The University shall issue the Vendor’s payment within 30 days after receipt of an acceptable invoice and receipt, inspection, and acceptance of goods and/or services provided in accordance with the terms and conditions of the purchase order/contract. The University’s preferred payment method is P-card. No additional charges will be accepted for use of P-card payment. Any penalty or delay in payment shall be in accordance with section 55.03, Florida Statutes. The University’s vendor ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from the University may be contacted at 813-974-2481.

31. **FEID NUMBER**

Awarded Vendors will be required to provide their Federal Employee Identification Number or Social Security number. Do not include this information in your bid.

32. **W-9 (W-8BEN for Foreign Vendors) FORM**

Awarded Vendors will be required to complete USF Substitute W-9 (or appropriate IRS W-8 Form for Foreign Vendors). The W-9 or W-8 must be completed and signed before a contract can be approved.

33. **STANDARDS OF CONDUCT**

It is a breach of ethical standards for any employee of the University to accept, solicit, or agree to accept a gratuity of any kind, form or type in connection with any contract for commodities or services. It is also a breach of ethical standards for any potential vendor to offer an employee of the University a gratuity of any kind, form or type to influence the development of a contract or potential contract for commodities or services.
