## THE COMPETITIVE EDGE!

Your goal is to pass all parts of the computer-based CPA Exam the first time! To achieve that goal you need **both** a thorough understanding of the topics covered under the current exam format – Regulation, Financial Accounting and Reporting, Auditing and Attestation, and Business Environment and Concepts– and the test-taking savvy that will enable you to perform well in a computerized exam setting. Because the USF CPA Review Program combines excellent instruction with intensive review and important test-taking tips in a way that will fit **your** schedule, our program will give **you** the competitive edge in achieving a critical career goal.

## KEY BENEFITS

- Intensive sessions that provide over 97 contact hours of instruction in just 15 weeks of classes. All **live** instruction where students can get clear, concise, answers to questions; rather than just spending hours watching videos or listening to audio tapes.
- Focus is totally on the topics and types of questions, including “simulations” likely to appear on the four part computer-based CPA exam.
- Knowledgeable, well-prepared full-time experienced faculty.
- A convenient schedule of **Friday and Saturday only** classes that allows you to meet your professional responsibilities and complete out-of-town travel during the week without missing important review sessions.
- Invaluable tips and techniques, both for studying and for answering CPA exam questions.
- A **quality** program at a **reasonable** price: the USF CPA Review Program provides an efficient, effective alternative to other review courses or self-study. Audio taping of classes is permitted for personal use only.

## MATERIALS

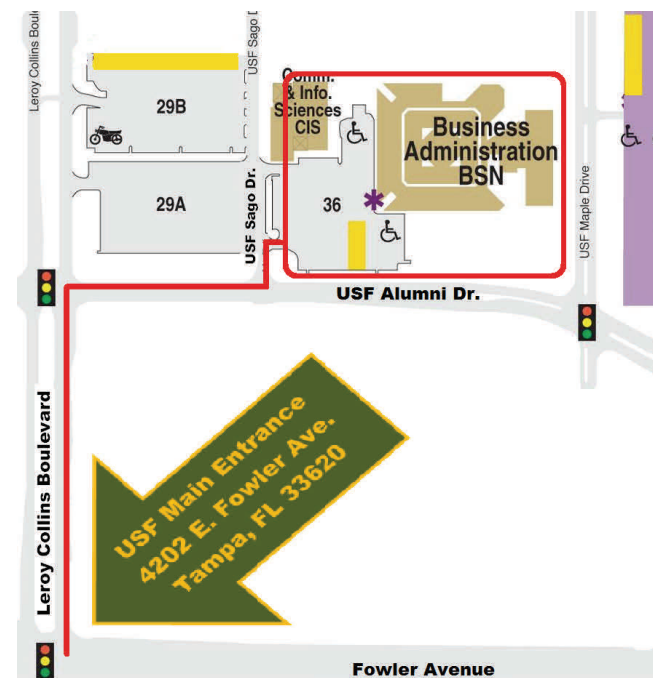

The CPA Review Program registration fee covers all costs, including the new four-volume 2013 CPA Exam Review by Bisk, as well as Bisk’s updated CPA Exam Review software. **The texts and software will be available in the USF School of Accountancy Office (BSN3305) approximately one week before classes start.**
