# **RECRUIT AT USF**

We are so excited to welcome all of our employer partners "back to campus" as we get ready for the start of the Fall 2020 semester in just a few weeks!

As part of our commitment to keeping you informed of changes to our programs and services during this next normal, we are launching the all new ***Recruit At USF Newsletter***.

### **Welcome to our first issue!**

This newsletter will be sent to you on a weekly basis as we lead up to major events, such as Bulls Connect, and then on a bi-weekly basis throughout the rest of the year. Regardless of when you receive this newsletter, we encourage you to give it a quick read for important information to help you get the most out of your recruiting efforts at the University of South Florida!

As always, we welcome your feedback and any suggestions you may have as we work to create this new communications resource for you.
